

DAVID AUGE

PRESIDENT, TETON MOTORS, INC.

Bachelor of Science 1977, Business Management

David started in the car business in 1971, washing cars at a local Chevy dealer in Illinois. Upon moving to Wyoming with his family in 1973, he attended and graduated from the University of Wyoming in 1977. His full-time career at Teton Motors started in November of 1977 and he continues to be challenged and enthused about being in the transportation business. His family believes strongly in community involvement. He feels blessed to have met a lot of great people through his association with Kiwanis, First Baptist Church, the Chamber, the Grand Teton Music Festival, city league sports, and other various organizations.
