Program: Elementary Education, B. A.

Express Transfer Agreement (ETA) with Central Wyoming College

Elementary Education, B. A.

This degree program leads to initial teaching licensure (leading to teaching certification).

Degree Requirements

This degree requires a minimum of 120 credits, 42 of which are upper-division credits.

University Studies Program

This degree requires that The University Studies Program 2015 requirements are met before graduation. Some of the courses required for this major fulfill USP requirements, but not all. Students should check their degree evaluations and consult with their assigned academic advisor to discuss their specific course plan.

Professional Education Requirements

The Elementary program prepares students to seek licensure as a K-6 elementary teacher. A minimum of 120 credit hours is required for this degree program.

All major courses must be passed with a grade of C or better. A minimum UW cumulative GPA of 2.75 is required for most junior and senior level professional education courses, including EDEL 4500: Residency in Teaching. A minimum GPA of 2.50 in major content courses is required. A minimum of 42 credits must be upper division.

An initial background check must be completed prior to starting any field or practicum experience. Student fees cover the cost of this initial background check so work with your College of Education advisor for details.

Foundations All Professional Education requirements must be completed with a grade of C or higher.
