UNIVERSITY OF WYOMING

Key Assumptions and Methodology

The following information pertains to all tables in this report. This report includes:

- Benefited employees only
 - Non-benefited employees include part-time temporary workers, student workers and graduate assistants.
 - Includes all UW employees, including University of Wyoming, University of Wyoming Medical Education, School of Energy Resources, Distance Learning Center, Statewide Video Conferencing and Enhanced Oil Recovery Commission.
- FY2004 – 2012
 - This is the extent of the data available from UW's existing Human Resource Management System.
- Academic colleges and departments as well as non-academic divisions and departments, in alphabetical order
- Employees grouped by Equal Employment Opportunity (EEO) job classifications
 - Faculty further broken down by rank and title (professor, associate professor, assistant professor and all other).
 - Some employees who are designated as "Administrators" also hold faculty appointments.
- Total number of employees by both Full-Time Equivalent (FTE) and Head Count (HC)
 - These totals appear at the university, college, department and non-academic division and department levels.
 - Individual head count is prorated between Section I and Section II, based on the percentage of funding, as well as between agencies, where applicable.

The JAC requested methodology includes positions supported by funds from Section I, Section II or both. Salaries supported by both Section I and Section II funds are designated "split funded." Split funded FTE are counted in the section providing the greater percentage of funding. Salary data reflects actual payroll amounts and is as of April 30th for each fiscal year. The salaries of employees who work on a nine month contract are paid over twelve months.

Over the nine-year period contained in this report, various organizational changes are evident. Over time, units may be created, merged, split, moved or eliminated. This report relies on the underlying coding for every unit on campus, so these organizational changes impact the presentation of the report data. As well, title changes over these years are significant. Wording changes have occurred to accommodate title plus academic rank. (For example, one person may have been a director/assistant professor, then a director/associate professor and finally a director/professor). In addition, the decision to remove "temporary" from all titles occurred over this time period.

The requested methodology is different than that used to report to some national studies. Key areas of differences include: 1) the requested Section I/Section II level of detail, including split funding; 2) use of EEO job classifications; 3) inclusion of both full- and part-time faculty; and 4) use of April 30 payroll data, rather than the November faculty salary benchmark.

Key Definitions

Administrators: The federal Equal Employment Opportunity (EEO) Job Groups specify the Administrator category as including Executive, Administrative and Managerial employees (see definition below). UW defines 30 senior administrators.

Assistant Professor: This is the usual entry-level faculty rank.

Associate Professor: In addition to the qualifications of an Assistant Professor, Associate Professors have established a strong reputation in scholarship and teaching. Generally, faculty hired as Assistant Professors are promoted to the rank of Associate Professor at the time tenure is granted.

Professor: In addition to the qualification of an Associate Professor, "full" Professors have attained wide recognition in their professional fields for scholarship or other creative activity and have gained recognition for superior teaching and service.

Academic Professional: These are employees other than faculty who are engaged primarily in activities that extend and support the teaching, research, extension, and service missions of the University; abbreviated as "AP". Research Scientists, Lecturers and Extension Educators are included in the AP category.

Clinical Faculty: Clinical faculty appointments allow experts in health-related fields to contribute to the training of UW students in allied disciplines. Clinical appointments are for, at most, one year at a time and carry no rights to tenure or extended terms. There are also adjunct clinical faculty appointments, which typically involve health-care professionals whose normal employment is outside the University. Adjunct clinical appointments carry no financial commitment from the University.

Equal Employment Opportunity (EEO) Job Groups: Higher education institutions use the following categories to classify positions: Administrator; Faculty/AP; Professional Non-Faculty; Clerical/Secretarial; Technical/Paraprofessional; Crafts/Trades; and Service/Maintenance. Additional definitions for selected categories follow:

- Administrator – Positions whose duties and responsibilities involve management and direction of the University, or a major division or department of the University. Examples include: President, Vice Presidents, Provosts, Associate Vice Presidents and Directors.
- Faculty/Academic Professional – Persons identified by the institution whose assignments are made for the purpose of conducting instruction, research or public service as a principal activity (or activities). Examples include: Deans and Department Heads; Tenured, Tenure-Track, Contract, Adjunct and Visiting Faculty (Professor, Associate Professor, Assistant Professor, Instructor); Non-faculty instructional staff such as Teaching Specialists and Lecturers; other academic staff such as Librarians and Research Associates.
- Professional Non-Faculty – Positions with non-faculty status whose primary responsibility is administrative or professional in nature. Positions normally require at least a four-year degree and/or equivalent experience with specialized training. Examples include: Accountant, Assistant Managers, Budget Analyst, Coach, Coordinator, Curator, Graphic Designer, Managers, Nurse Practitioner, Pharmacist, Producer, Programmers, Safety Officer, Staff Assistant, Supervisors and Web Site Designer.

Lecturer: This is a category of academic professional involved largely in classroom instruction. Lecturers may be appointed to three ranks: Assistant Lecturer, Associate Lecturer, Senior Lecturer.

Research Professor: A professor with demonstrated superior capacity for research contributions, who is employed solely on external funds, and who holds a terminal degree. These appointments are made only at the professor level and for not more than one year at a time. They are renewable.

Research Scientist: This is an academic professional whose primary responsibility is to conduct research. There are three ranks for Research Scientists: Assistant Research Scientist, Associate Research Scientist and Research Scientist.

Section I Budget: This section contains the general operating budget of the University supported by appropriated funds, including state general funds, federal formula funds for the support of the College of Agriculture, and other University funds (University of Wyoming Income Fund, Sales and Services Fund, Federal Mineral Royalties, Agricultural College Land Income Fund, University Land Income Fund and Clinic Income), and unrestricted income from the University of Wyoming Foundation.

Section II Budget: This section contains the self-sustaining budgets of the University that are supported by sponsored funding for research and other activities (primary source is federal funds), income from University auxiliary operation (e.g., housing, residence halls, dining services, transportation, parking, student union and bookstore), gifts and contributions, student fees and federal mineral royalties. Also included is a major portion of intercollegiate athletics, with the residual in Section I.

Visiting Appointment: This is a non-permanent, non-tenure-track faculty appointment. Most visiting appointments are for one year.

SECTION II	14.00	15.97	\$52,465
Asst Professor, Split Funded	0.00	0.07	\$53,793

Split funded employee salaries are split between Section I and Section II. In this example the employees' total salary is \$53,809, split 93% Section I and 7% Section II. Therefore, the salary allocated to the two sections are:

Section I -- \$53,809 x .93 = \$50,042
 Section II -- \$53,809 x .07 = \$3,767
 Total Salary \$53,809
 (See page 25 of this report for additional detail.)

	Sum of FY04 FTE	Sum of FY04 HC	Average of FY04 Salary
Medical Educ & Public Health	1.25	2.00	\$68,754
SECTION I	0.50	1.00	\$70,008
Faculty/AP	0.50	1.00	\$70,008
Assoc Dean/Clinical Prof	0.50	1.00	\$70,008

Part-time personnel (FTE less than one) are represented by a partial FTE and headcount of one. In this example, the employee is paid solely from Section I funds. The average salary represents the part-time salary. A full-time salary would be \$140,016

FTE HC Salary
 0.50 1.00 \$70,008
 (See page 30 of this report for additional detail.)
