April 2013

An Invitation to our Graduating Law Students, Faculty, and Staff

Library Week April 15-19, 2013

The theme of this year's Library Week celebration is **Energy in the Library**. We are excited to highlight energy research resources, especially given the College's upcoming launch of the Center for Law and Energy Resources in the Rockies.

As part of our Library Week celebration we will be holding a contest. Correctly answer three questions using energy web sites and databases featured in the library display case and you'll be entered in a drawing for a gift card. For the contest questions and more information, visit the [library's web site](#) and look for the contest link under Quick Links (on the right side of the page).
