

## NATIONAL LIBRARY WEEK READY, SET, LIBRARY! APRIL 8-12

### Quick message from your law librarians

We're thrilled to celebrate National Library Week with law school students, faculty, and staff. While the law library space is compressed, our enthusiasm is not. We do anticipate a livelier library this week, especially during the golf tournament.

All will return to normal decibels the following week, and we kindly ask that phone calls and conversations be taken into stairwells or elsewhere in preparation for finals.

Thanks!
