
UNIVERSITY OF WYOMING REGULATIONS

Subject: Design, Construction, and Naming of Buildings

Number: UW Regulation 6-1

I. PURPOSE

To establish the guidelines for approval of design, construction, and naming of University buildings.

II. POLICY

The selection and employment of architects for the design of all buildings of the University, the adoption of plans, specifications, and details for the construction of such buildings, and the receiving of bids and awarding of contracts for design and construction of buildings shall be a function of the Board of Trustees upon recommendation of the Vice President for Finance and Administration or designee consistent with all applicable statutory requirements. Through the Vice President for Finance and Administration or designee, the Trustees shall maintain general supervision over the construction and equipping of all University buildings.

Names of buildings shall be selected by the Trustees. No building shall be named after any person actively connected with the University at the time. See UW Regulation 12-2 (Naming of University Facilities, Programmatic Units, and Funded Academic Honors).

III. CHANGE ORDERS

The Vice President for Finance and Administration or designee is authorized to approve change orders for non-capital construction or major maintenance projects up to \$50,000. However, in no event shall the cumulative total of all changes orders for each non-capital construction or major maintenance project result in an amount that exceeds \$75,000 without Board of Trustees approval.

Approval of Change Orders for capital construction projects shall comply with UW Regulation 6-9 (Project Development Policy and Procedure for UW Capital Construction Projects). All change orders will be reported to the Trustees.

IV. PERFORMANCE AND PAYMENT BONDS

A. A faithful performance bond and a labor and materials bond, or other form of guarantee in accordance with requirements set forth below, shall be required for the construction,

major maintenance or renovation to any University building or structure or for any public work or improvement as defined in W.S. 16-6-101 when the contract price exceeds \$7,500. The bond or other form of guarantee shall be provided by the Contractor to the University after award of the contract but prior to any work commencing under the contract (W.S. 16-6-112). All bonds shall meet all Wyoming statutory requirements, be filed with the contracting department of the University, and be approved by the Office of Risk Management or designee.

B. Bonds shall be set in the following amounts:

1. For projects where the contract price exceeds \$150,000, including all amendments and change orders, the contractor shall submit a performance bond and a payment (labor and material) bond equal to 100% of the contract amount.
2. For projects between \$7,500 and \$150,000, the University may accept other forms of guarantee other than a bond, upon approval by the Vice President for Finance and Administration and when determined to be in the University's best interests.

C. The University may also require performance bonds in other types of contracts, such as material and services contracts, in order to protect the University's interests. The amount for the performance bond shall be determined by the contracting department and approved by the Manager of Procurement and Payment Services in consultation with the Office of General Counsel.

V. ENERGY MANAGEMENT

The University shall ensure that it adheres to energy conservation and management through its design standards.
