

2021-2022 Block Transfer Map:
**Qualifying Transfer Associate Degree from a Wyoming Community College in any major to
the University of Wyoming B.S. Outdoor Recreation & Tourism Management, Outdoor Recreation Leadership**

This Block Transfer Map has been written for students who have earned a qualifying transfer associate degree (*Associate of Arts (AA)*, *Associate of Science (AS)*, *Associate of Business (AB)*, or *Associate Degree in Nursing (ADN)*) with a minimum of sixty (60) credits in any major from one of the Wyoming Community Colleges (WYCC) who wish to complete the Bachelor of Science with a major in Outdoor Recreation & Tourism Management, Outdoor Recreation Leadership Concentration at the University of Wyoming (UW). All courses are 3 credits unless otherwise specified.

While some of the courses taken for the associate degree at the Community College are not specified in this document, the UW degree program relies on the foundational coursework completed for the associate degree to prepare the student for baccalaureate-level study.

Courses with an equivalent course from at least one WYCC are highlighted in GREEN.

If a cell is blank, no equivalent was offered at that institution at the time that this document was created.

Courses that must be taken at UW are highlighted in GOLD.

BLOCK 1: University Studies Program (USP) Requirements

USP requirements are published in the catalog: <https://uwyo.catalog.acalog.com/content.php?catoid=4&navoid=161>

Courses taken to satisfy General Education requirements at the WYCC are considered essential to prepare the student for entry into the Bachelor of Science degree program at UW. Because of the quality of that foundation, students entering UW as of Fall 2001 who have completed a qualifying associate degree from the WYCC are awarded the lower division general education requirements included in the USP, with the understanding that all students must successfully complete:

USP: First Year Seminar (FYS) Students transferring with a qualifying earned associate degree earned after completing high school will have FYS waived. Students who completed the associate degree as a concurrently enrolled high school student will be required to take a First Year Seminar course at UW with a minimum grade of C.

USP: US & Wyoming Constitutions (V) All students must have taken a course that satisfies the statutory requirement for US/WY Government & Constitutions. Students transferring from a WYCC to UW should select a course that will transfer to UW in the USP:V category.

USP: Communications 3 (C3) The upper division writing requirement for this degree program is satisfied by completing the Capstone course (**ORTM 4903**) with a minimum grade of C.

BLOCK 2: Haub School Requirements (Minimum grade: C)

Take before transferring to UW; these courses may satisfy General Education and/or General Education requirements at the community college. Updated lists are available on the Arts & Sciences web page at <https://www.uwyo.edu/as/current-students/index.html>

BLOCK 4: 18 Credits of ORTM Core Courses (Minimum grade: C)

Students may take these courses at UW, or they may transfer them from one of the Wyoming community colleges if an equivalent is offered. If the cell is blank, an equivalent course is not available at that community college. Students are reminded that they must meet UW residency requirements as outlined in Block 5.

BLOCK 5: Major Requirements

Major in Outdoor Recreation & Tourism Management, Outdoor Recreation Leadership Requirements:

- Students enrolled in more than one Haub School program must earn a minimum of 12 credits unique to each program.
- **Upper Division Business courses** that transfer from a WYCC to UW are evaluated/updated annually by the College of Business and are subject to change at any time. Students should confirm with their academic adviser to ensure that the course equivalency is still approved before registering for the course at a community college. Students may transfer a maximum of nine (9) credits of this type of coursework.

University of Wyoming Requirements:

- Total minimum credits required (including transfer credit) is 120 credits. If, after a student has completed all course requirements for their degree plan, it may be necessary to take additional credits to reach 120 credits in total. Courses should be selected to ensure that students satisfy minimum credit and residency requirements.
- Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be taken in residence at UW.
- No more than 4 credits of physical activity coursework may be applied to the minimum credit hour requirement for UW baccalaureate degree.
- Minimum cumulative GPA is 2.00.
- Students may not take a course for S/U credit to satisfy any requirement unless the course is offered for S/U credit only. (UW S/U grade policy statement for spring 2020: <http://www.uwyo.edu/transfer/files/documents/transfer-policies/covid19-transfer-policy-statement.pdf>)
- A grade of C or above is required for University Studies Program (USP) categories: FYS, C1, C2, and C3.
- The UW Office of the Registrar provides final approval of degree completion requirements prior to the awarding of any degree.

REQUIRED SYNTHESIS & APPLIED EXPERIENCE MAJOR COURSES (minimum grade: C)

UW Category	UW Course Title and Credits	Notes
Professional Semester 12 credits	ORTM 4900 Outdoor Recreation & Tourism Management Business Strategies ORTM 4901 Human Dimensions of Outdoor Recreation & Tourism Mgt ORTM 4902 Recreation Venue Operations ORTM 4903 Capstone	(All four courses must be taken in the same semester) ORTM 4903 satisfies Upper Division Writing (USP: C3)
Applied Experience 1-6 credits	ORTM 4970 Internship	Students must complete a 400-hour internship prior to enrolling

Block 6: Credits Needed to earn 120 credits (if needed)

In addition to the courses that are specifically required for the degree, courses that transfer as "Electives" will count toward the 120 credits needed. Some students may need to take additional credits to earn a total of 120 credits. The number of credits needed (if any) will vary by student, and students should select courses to ensure that they satisfy residency requirements and upper division credit requirements.

EFFECTIVE DATE:

This document is in effect as of 26-JAN-2022 (updated 01-MAR-2022 to add two new course equivalencies); it reflects the published UW curriculum as of that date. Any changes to the UW curriculum or the WYCC course equivalencies will require this document to be updated.
