## **I. THE BOARD OF TRUSTEES POLICY**

The policies outlined in this document apply to the 2024 fiscal year. All prior approvals of fees, charges, and deposits are repealed effective July 1, 2023 except as to rights or obligations previously acquired or incurred there under.

The fees, charges, fines, penalties, refunds, and deposits are subject to change without notice.

Publication of fees, charges, refunds, and deposits in the University of Wyoming Fee Book is required prior to charging fees. Exceptions may be granted by the Vice President for Administration.

### **Authority**

The Trustees of the University of Wyoming, a constitutional body, are responsible for the "management of the university" (Wyoming Constitution, Article 7, 17). The Trustees "possess all the powers necessary or convenient to accomplish the objects and perform the duties prescribed by law and shall have custody of the books, records, buildings and all other property of the university" (W.S. 21-17-203). The Trustees may "(e)xpend the income placed under their control from whatever source derived, and exercise all other functions properly belonging to such a board and necessary to the prosperity of the university and all its departments" (W.S. 21-17-204).

Section 2 of Chapter VIII (STUDENTS) of the Regulations of the Trustees stipulates that "All student fees, charges, refunds, and deposits shall be fixed by resolution of the Trustees and shall be published in the appropriate university publications."

Therefore, pursuant to constitutional and statutory provisions, the Trustees are responsible for the establishment of all fees, charges, and deposits assessed, and refunds afforded to individuals applying for admission to the university, enrolled students, university employees, and the general public. Such fees shall be reasonable and prudent for the adequate protection and control of university funds, equipment, facilities services and materials.

### **Failure to Pay Fees, Charges, Fines, Penalties**

A student failing to pay fees, charges, fines, penalties, or deposits as prescribed by the Trustees of the University of Wyoming shall be denied registration at the university or copies of transcripts until such fees, charges, fines, penalties, or deposits are paid in full. A non-student failing to pay fees, charges, fines, penalties, or deposits as prescribed by the Trustees of the University of Wyoming shall be denied use of University facilities and services until such fees, charges, fines, penalties, or deposits are paid in full. Procedures for adjudication of disputes over payment of fees, charges, fines, penalties, or deposits shall be prescribed by the Vice President for Administration.

### **Fees, Charges, and Deposits, Student Media**

The Trustees delegate the authority for the establishment of advertising, subscription and related rates or charges for student media, including the Branding Iron, Frontiers Magazine, and Owen Wister Review, to the Student Media Board. Rates or charges established by the Student Media Board shall be filed annually with the Office of the Vice President for Administration and published in the Fee Book.

### **Internal Fees, Charges, and Deposits**

The Vice President for Administration, with approval by the Trustees, is authorized to establish fees, charges, or deposits for interdepartmental purposes. In no case shall the assessment of such fee, charge, or deposit exceed the direct cost plus reasonable administrative overhead.

### **Facility Rental Fees**

Non-university users of campus facilities will be assessed a 10 percent surcharge on rental fees. Any surcharge will be deposited into a separate account earmarked for maintenance, and under the control of the Director of Physical Plant. For self-sustaining facilities rented to external users, surcharges will be deposited to an account similarly designated.

The following rental fee structure will be used:

- Classification I – Qualifying groups and activities include UW recognized student clubs and organizations, faculty or staff work-related meetings, or fund-raising activities or other activities not involving commercial entities. Non-profit organizations and Wyoming state agencies sponsored by a recognized student organization or UW

department, with participants who are primarily students, faculty and staff qualify under this category. State of Wyoming Legislative and Agency meetings or functions are exempt from facility/meeting room fees.

- Classification II – Qualifying groups and activities include University departments, recognized student clubs and organizations co-sponsoring events with commercial entities or events where admission is charged. Non-profit organizations and Wyoming state agencies, not primarily involving students, faculty and staff and regional or national student or department educational conferences qualify under this category.
- Classification III – Commercial off-campus groups.

### **Other Provisions**

The purpose of this policy is to allow University departments to recover direct costs, and reasonable indirect costs, for use of University facilities, equipment, services or materials as set forth in the following paragraph.

The Trustees' authority to establish fees is delegated to the Vice President for Administration to set casual food service rates in the University food service operations, resale of items in the University Bookstore, various telecommunication rates, and other resale activities. Fees will not be authorized for items nor shall this provision be construed, in any way, to avoid the Trustees' authority to establish fees.

**Intercollegiate Athletics**

- Entities using an athletic facility must take into consideration set-up/breakdown time. The entities will be charged the appropriate rate for the time that the facility is “off-line” (e.g., not usable by athletics or another entity).
- DIRECT COST (DC) means that the entity is only being charged the actual cost incurred by the athletic department (set-up/breakdown, equipment usage, etc.)
- Prices listed are for facility rental only. Prices do NOT include labor costs for facility set-up/breakdown, equipment usage for facility set-up/breakdown, and equipment usage during the event, required security/emergency personnel (if applicable), etc.
- Users using the facility shall pay the University for any and all damage to the Universities property whether caused by the User or its patrons; normal wear and tear excluded.
- Contact (307-766-2015) for all intercollegiate athletic rental inquiries.

Medical Education and Public Health	FY 2024
<p><b>Family Practice Center – Casper</b></p> <p><b>Family Practice Center- Cheyenne</b></p> <p>Courses taught at this facility are open to all members of the medical community.</p> <p>Advanced Life Support and OB (ALSO) – Non UW personnel</p> <p>Wilderness Medicine Program fees - Non UW personnel</p>	<p>325.00</p> <p>350.00</p>
<p>Fees, Charges, and Deposits (methodology)</p> <p><b>The UW Family Medicine Residency Programs in Casper and Cheyenne</b> maintain a formal fee schedule for physician services based on a resource-based relative value scale. A relative value guide correlates the difficulty of performing a certain procedure and the time required and assigns a unit value to the procedure. There are over 7,000 procedures listed in the RBRVS (resource-based relative value scale) and each procedure has a unique code associated with it as well as a unit value. The fee charged for the procedure is obtained by multiplying the unit value by a conversion factor. Conversion factors used at the Family Practice Centers are updated periodically by reviewing the reimbursement received from major insurance companies and are reviewed annually by the Dean of the College of Health Sciences. Conversion factors currently in use are on file at each program and in the Office of the Dean.</p> <p>The University of Wyoming Family Practice Residency Programs accept new patients regardless of their ability to pay for services. Our policy is to bill all patients for services provided and to request payment at the time of service. At the Family Practice Center in Cheyenne, all medical laboratory charges are billed by Cheyenne Regional Medical Center. Charges for these services are not eligible for discounts offered by our facility.</p>	
<p><u>Financial Discounts</u> apply to patients with special financial needs. Occasionally, patients have legitimate financial problems. Patients expressing hardship must be referred to the Business Office for each program where financial arrangements or discounts can be determined. There are two discount options:</p> <p><u>Hardship Discount</u> applies to patients with serious illnesses who are unable to work and have no other sources of income and patients who are now deceased and their accounts are uncollectible. If, after insurance payment, there is an outstanding balance, the Medical Director may elect to write off the remaining balance.</p> <p><u>Sliding Fee Scale Discount</u> applies to families that are "total family private pay" which may qualify them for a sliding fee scale or a co-pay. Special exceptions to the total family private pay rule will be considered for families with insured children on a case-by-case basis by the program director or designee. The per visit co-pay will apply to those who do not meet 100% of the Federal Poverty level standard. The co-pay for procedures and OB visits for those below 100% of the FPL will be addressed on a case-by-case basis. The sliding fee percentages are based on annual gross family income and size. Payments are expected every thirty (30) days.</p>

**Wyoming State Veterinary Laboratory Fee Schedule See Attachment A**

WYOMING STATE  
VETERINARY LABORATORY

## **Fee Schedule and General Policies**

**Effective July 1, 2023**

## General Policies

The mission of the Wyoming State Veterinary Laboratory (WSVL) is to provide accessible, timely, accountable, and accurate diagnostic services, animal disease research, and education to veterinarians, students, and others interested in animal health in the state of Wyoming.

The Wyoming State Veterinary Laboratory is a fully accredited laboratory committed to the maintenance of a quality assurance program that ensures that all procedures and documentation are in compliance with the quality standards of the American Association of Veterinary Laboratory Diagnosticians (AAVLD).

## Confidentiality

Accessions submitted to the WSVL, including carcasses, tissues and agents isolated from samples, become the property of the WSVL unless other arrangements are made with the laboratory director prior to submission or a current and jointly signed memorandum of understanding between the WSVL and the submitter or submitting agency/institution is in effect.

Laboratory results are joint property of the WSVL and the submitter (or submitting agency/institution) that paid for the diagnostic testing. Laboratory results will not be shared with third parties except in the following circumstances:

1. There is a legal requirement to do so.
2. Cases involving state or federal reportable animal diseases.
3. It is in the best interests of animal or human health to do so. This will be decided on a case-by case basis by the laboratory director or, in her/his absence, by the acting director.

As required by statute, the laboratory will periodically release summary data of animal disease patterns and trends, and share this information with the WSVL Advisory Council, Wyoming Livestock Board, Wyoming Department of Health, Wyoming Game and Fish Department, other pertinent state agencies, clients of the laboratory, and the public through scientific and general purpose articles, newsletters, press releases and annual reports.

## Contact Information

Wyoming State Veterinary Laboratory  
University of Wyoming

Toll Free: 1-800-442-8331  
Fax: (307) 721-2051  
Email: [vetrec@uwyo.edu](mailto:vetrec@uwyo.edu)

## Operating Hours

The WSVL is staffed and open Monday through Friday during the following hours:

September – April: 8:00 am – 5:00 pm

May – August: 7:30 am – 4:30 pm

The U.S. Postal Service mail is received on Saturdays and samples are placed into refrigeration, and processed the following business day. Walk-in sample submission is not available on the weekends except by arrangement.

## Sample Submission

### *Accession Forms*

All submissions for diagnostic testing at the WSVL, **MUST** be accompanied by an appropriate accession form. Appropriate accession forms include the WSVL accession form (for most diagnostic samples), federal EIA (Coggins) or Brucellosis forms or third party Coggins forms (Global Vet Link) or state Trichomoniasis test forms as appropriate. Forms should be filled out as completely as possible to obtain the most efficient and timely results possible. Federal forms must be signed by an accredited veterinarian. Submission of incomplete or unsigned accession forms **WILL** result in delayed testing until complete documents are received by WSVL, and may result in an administrative paperwork fee.

### *Packing and Shipping Samples*

Information and resources for shipping samples may be found on our website:

<https://www.uwyo.edu/wyovet/client-services/packing-and-shipping-samples.html>.

### *WSVL Inbound UPS Shipping Program*

To help increase efficiency and reduce costs of shipping diagnostic samples to the lab, the WSVL has a contract program in cooperation with UPS. Savings have averaged over 60% compared to non-contract shipping.

Details may be found on our website:

<https://www.uwyo.edu/wyovet/wsvl-inbound-ups/index.html>

## Receiving Results

Up to the minute results may be accessed via our webpage, under Client Services

(<http://www.uwyo.edu/wyovet/client-services/>), once a web access account has been established. Results can also be emailed or faxed to the submitter. Please make us aware of your preference by calling (307-766-9925) or emailing us (vetrec@uwyo.edu).

## **Payment**

The person/practice/agency requesting services will be billed and will receive all diagnostic reports with no exceptions. Payments may be made by check, electronic funds transfer (EFT) or credit card, and are due 30 days after receipt of the statement.

The maximum test fee for production animal necropsies (\$200) applies to single animal diagnostic submissions and includes all tests performed in-house. The maximum fee does not apply to tests referred to other laboratories or testing assessed an hourly fee, i.e. legal, forensic and insurance cases. The laboratory will contact the submitter if hourly fees may apply. The maximum test fee does not apply to accessions submitted by federal governmental agencies or state/local governmental agencies outside of the state of Wyoming. The maximum fee for additional submissions applies to each additional animal submitted at the same time and from the same owner as part of the same problem. Not all testing may be done on each animal at the discretion of WSVL.

Testing referred to outside laboratories may incur additional shipping charges.

Professional services rendered for forensic, insurance, and other legal claims will be charged at the rate of \$150 per hour in addition to other laboratory charges. These services include telephone and other consultations, site visits, document preparation, and legal testimony.

Services will not be provided to clients with accounts that are greater than 90 days past due.

Individual test fees may change prior to publication of a new fee schedule as a result of significant changes in costs for supplies, reagents and/or diagnostic kits.

Parasite ID	Ectoparasite exam/ID	12	Ectoparasite in vial or bag	
Parasite ID	Endoparasite ID	12	Endoparasite in vial or bag	
	Roundworm egg ID by larval culture (coproculture, equine and ruminants)	20	Feces	Offered only for high roundworm egg amounts, test time is about 12-14 days
ELISA	Giardia ELISA	25	Feces	
ELISA	Heartworm ELISA	15	Whole blood or serum	
ELISA	Neospora ELISA	12	Serum	
	EPM referral	<i>per referral lab</i>	Serum or CSF	Sarcocystis neurona and/or Neospora hughesi testing, please indicate your request
ELISA	Toxoplasma ELISA	<i>per referral lab</i>	Serum	
Lab Supplies	LRS Media	2		For Trichomonas PCR sample collection
	Tube without media	1.50		For Trichomonas PCR sample collection
