

University of Wyoming Indirect Cost Rate Agreement

This notification is to provide information regarding the extension of the University of Wyoming's current indirect cost rates to June 30, 2023.

In addition, the rate agreement also provides fringe benefit rates that should be budgeted and charged to all externally-funded sponsored programs (contracts/grants) effective July 1, 2019. The University has developed separate rates that should be budgeted and charged to non-sponsored fund sources effective July 1, 2019. The fringe benefit rates are as follows:

Employee Classification	Non-Contract or Grant Rate (Unrestricted Operating, Designated, Operating, etc.)	Contract or Grant Rate (Externally Sponsored Grant/Contract)
Faculty	39.1%	34.8%
Staff	49.3%	42.5%
Student/Non-Benefited	1.8%	1.8%

Please note, Student and Other Non-Benefited Employee fringe benefits were budgeted at 2.90%, but **the actual for FY2020 is 1.80%** for both sponsored and non-sponsored programs. The fringe rates above can also be found on the [budget office website](#).

A copy of the rate agreement is available on the OSP website at:
