Dear Ms. McTigue:

This letter is to advise you of the action of the Accreditation Council for Education in Nutrition and Dietetics (ACEND®) Board regarding the Didactic Program in Dietetics at the University of Wyoming. During its November 15, 2018 meeting, the ACEND Board continued the accreditation status of your program for the remainder of the seven-year term ending **December 31, 2024**. The decision was based on a peer review of the progress report and program director change. Accreditation is continued for a Didactic Program in Dietetics at the baccalaureate level for a maximum enrollment of 18 third-, 18 fourth-year and 2 post-graduate students.

The next accreditation review of your program by the ACEND Board will be in **2024**. You will receive correspondence at least one year in advance of the site visit which will occur in **2023**, inviting you to apply for full accreditation under the Accreditation Standards in effect at that time.

If you wish to propose a major change to the program, you must submit it in writing to ACEND for review prior to implementation. The ACEND Board maintains the right to require an interim report, self-study report and/or site visit as a result of any changes. Guidelines for requesting major changes are posted on the ACEND website here: [Major Program Change Guidelines](#)

Thank you for your continued support of dietetics education. If you have any questions, please call the ACEND staff at 800-877-1600 ext. 5400.

Sincerely,

Christine A. Hartney, MS, RD, LDN, Chair,  
Accreditation Council for Education in Nutrition and Dietetics
