

## Character Counts! in Livestock Projects

In order to have a TRRFCC livestock project, it is important to understand the 6 Pillars of Character. They are:

Trustworthiness

Respect

Responsibility

Fairness

Caring

Citizenship

Directions: In your group discuss how your Pillar of Character is important in raising your project. Come up with a 2 minute presentation to share with the group.

4-H is Built Upon the Principles of Character Counts

Trustworthy \* Respect \* Responsibility \* Fairness \* Caring \* Citizenship
