Caring

how much you appreciate the person they are, flaws and all.

One of the easiest ways to show you care is to speak kind words. Along with kind words, listen to how others are feeling. Pay attention to their words as well as their body language, show compassion for their thoughts.

A great way to teach caring behavior is to model it yourself. Pass around high-fives, smile at others, compliment your peers, and listen when others are speaking. Praise kind behavior, and never tolerate rudeness.

Caring is not something that comes naturally to everyone, sometimes it takes PRACTICE!

Make a conscious effort every day to speak a kind word, or do something small to show others you care. The more you practice, the better you will become!
