EXPENSES/INCOME

At the beginning of the year:

- What do you already have? Things you use for your project every year, such as:
 - Archery - your bow, arrows, gloves, quivers things you keep for years
 - Livestock - feed buckets, blowers, stands, breeding animals you keep
 - Visual Arts - paint brushes, markers, household items you use that you already have on hand
- If it's your first year in a project, you might not have much on hand already. If you've done the project before, look at what you had on hand or bought in previous years. Do you still have those things? They should be listed under your equipment.

EXPENSES/INCOME

SUMMARY

Throughout the year:

- What do you still need? Things you needed to buy during the year, such as:
 - Archery - New fletching for arrows, new quivers, if you bought a bow
 - Livestock - Feed, fitting supplies, new show sticks, any market or new breeding animals you got this year
 - Visual Arts - canvases, new paints, poster boards
- Expenses can also include any classes, clinics, or camps you paid to attend for your project.

Throughout or at the end of the year:

- Income is where you'll put anything you sold, gave away or kept for yourself.
 - Did you sell an animal? This could be a market animal or through your breeding program.
 - Did you sell any crafts? At a craft fair, to friends or family, etc.
 - Did you give away any supplies to someone else? If it's your last year in a project or you replaced old supplies you can put if you gave away or donated old supplies.
 - Did you keep anything for yourself? Include if you kept a market animal for your family, made a piece of art or piece of equipment that you kept or will use for yourself.
