MAT BOARD

Securely attach mat frame to picture and board on back, punch holes in upper corners and thread string or wire through the holes to create a hanger

OR

Punch a hole in the center of frame with hole big enough for peg board hook.

While a nice frame adds a lot to your picture, your entry is being judged on the picture alone. Save your frame until you get the entry home and then use it!

FOAM BOARD

Mount picture directly on foam board, punch holes in upper corners and thread string or wire through the holes to create a hanger.

OR

punch a hole in the center of board with hole big enough for peg board hook.

PEG BOARD HOOK

These are the hooks used at State Fair to display photographs and other art work. Please keep that in mind when putting hangers on your pictures.
