

Exhibitor Newsletter August 2022

Hello Wyoming State Fair exhibitors!

August is here, and so is the 110th annual Wyoming State Fair! With only a couple weeks until we are all together, there are a few items we would like to make our exhibitors aware of.

The Exhibitor Office, located near the Pavillion, will be open Sunday through Tuesday, 8 a.m. to 6 p.m. All exhibitor passes will be for purchase and pickup in this office.

This year, feed trailer parking will be on grounds along the river walk. This is for both exhibitor convenience and safety. Please keep in mind, because this area will be housing trailers, we will be eliminating as much vehicle traffic as possible.

From the Wyoming State Fair staff and Board, we cannot wait to see all of you!

FITTING RULES

Due to recent questions regarding ethical fitting, the WSF Team and Board would like to take a moment to address it. Any addition of hair/wool or hair/wool-like substances to the animal is not permitted. This rule includes hair/wool or hair/wool-like substances being glued to hair, because it is still indirectly attached to the hide.

For more information regarding youth general fitting policies, which apply to all species, please see page 76 of the Premium Book.

FEED TRAILER PARKING

To ensure both safety and an enjoyable experience at the 2022 WSF, the Feed Trailer parking will be housed on grounds. Feed Trailer parking spots will be assigned to each county. It is the exhibitors' responsibility to communicate with their 4-H or FFA Advisor, as spaces are limited. The Pepsi Lot, as well as the grass area behind the FORD Grandstands, will still be open for additional Feed Trailer parking as necessary.

BARN CURFEW

It is discouraged for ANYONE to be in the barns from 10:30 p.m. to 5:00 a.m. Any members who request entry into the barns will be required to have their armband scanned for record of entry.

EXHIBITOR MEETING

This year's Exhibitor Meeting will take place in the Swine Barn at 7:00 p.m.

EXHIBITOR OFFICE HOURS

Sunday, August 14 - Tuesday, August 16
8:00 a.m. to 6:00 p.m.
Located near the Pavillion
