Has educational activities that meet the mission and values of the 4-H program	Yes		No	
Has by-laws that are in line with the Wyoming 4-H Club By-Laws template.	Yes		No	

After completing the above section it is suggested that you have a discussion with club leaders to look at the following questions. This can be done face to face, as a group, over the phone, or through written communication. The questions below will allow you to help club leaders plan for the upcoming year and encourage positive youth development practices among clubs.

1. What are your club goals? Do you think they are reasonable and achievable?
2. How does your club encourage a youth voice and utilize your officer team?
3. How do you welcome new families and new members into your club and our county program?
4. What plans do your club have to encourage educational learning during the upcoming year?

5. What plans do your club have to practice generosity through community service or service learning?
6. How do you encourage members to get involved at the county and state level?
7. What tools or trainings would you like to attend in order to better help you serve in your role as a club leader?

**RENEWAL**
