Section 1 - Dog Showmanship

Dog Showmanship (See Division 1879 - Classes 10 through 12)

Section 2- Obedience

1. A 4-H member may compete in only one obedience class per dog with a total maximum of two entries (dogs). Their first dog is referred to as the "A" dog. The other is referred to as the "B" dog for class entries.
2. The first-year beginner novice class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first year beginner novice class only once.
3. A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show, must show the dog by these guidelines:
 - a. Junior and Intermediate age exhibitors may move back or down one level
 - b. Senior age exhibitors must show the dog at the highest level the dog has achieved
4. A dog receiving a qualifying score of at least 170 points at the designated annual county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.
5. High in trial will be calculated on the basis of the raw qualifying score plus five additional points with each increase in level of difficulty.
6. Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
7. All dogs must enter/leave the show ring and compete with a leash.
8. Bait and/or toys are not allowed in obedience competition.
9. Dogs soiling or urinating in the ring during judging will be disqualified.
