

WYOMING STATE FAIR and RODEO 2018 ANIMAL HEALTH REQUIREMENTS

Current Certificates of Veterinary Inspections are to be made available to office personnel for the youth or open show department superintendents for review as needed. This requirement includes all pets brought to the State Fair by exhibitors and/or guests. Certificates for pets accompanying guests may be reviewed by security and further examined by State Animal Health Officials.

No animal will be allowed to exhibit or compete at the Wyoming State Fair and Rodeo without a current Certificate of Veterinary Inspection, or meeting species requirements as outlined.

The Wyoming State Veterinarian or his designee may implement any special inspection or quarantine procedures that are believed necessary to prevent the spread of contagious and infectious disease to humans or to other animals. An animal showing symptoms of a contagious or infectious disease shall be placed under quarantine or not allowed on grounds or removed from State Fair Park at the discretion of the State Veterinarian. **The professional judgment of the State Veterinarian or a Deputy State Veterinarian will be the final deciding factor on all animals.**

Any exhibitor/animal not meeting these requirements of the Wyoming Livestock Board rules are subject to civil and/or criminal action.

The Wyoming State Fair Management Team reserves the right to develop, employ and enforce individual animal health inspections at any time. The Management Team, or Fair Advisors, will make this decision if they feel it is necessary for the health and/or well being of animals, public health, or other specific health concerns.

Out-of-State Origin Animal Import Requirements

Import requirement information for out-of-state origin animals and entry permits may be obtained by calling the Wyoming Livestock Board at (307) 777-7515; <http://wlsb.state.wy.us>. Entry permits are required on bison, cattle, sheep, and swine.
