

## 2012 Wyoming 4-H Leadership Team

Hi, my name is Colter Otwell. I am a senior at Moorcroft High School. I have been in 4-H since I was 8 years old. Over the years I have done most projects 4-H has to offer but my favorite is showing market swine. I am also the Vice President of the Whitcomb FFA Chapter and compete in Saddle Bronc Riding for high school rodeo. I enjoy seeing and doing new things and meeting new people. I'm very excited to be on the 4-H State Leadership Team and am looking forward to a great year.

Hi, my name is McKenna Brinton! I'm a junior at Jackson Hole High School. This will be my tenth year in 4-H. I've participated in almost every project available, but my favorites would be showing market steers and our local Jr. Leaders program. 4-H has opened many doors for me. I've participated in the business ventures program, and have started my own leather craft business. I'm proud to be a part of the 2012 State Leadership team and hope to positively impact other youth the way 4-H has impacted me.

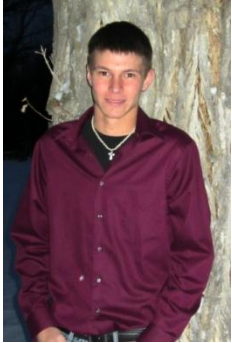

Hello, my name is Grant Lindblom. I live in Gillette and attend 11<sup>th</sup> grade at Campbell County High School. I have been a part of 4-H for 5 years, and in those years I have participated in Shooting Sports, Sports Fishing, Aerospace, and Geology. Currently, I am in Shooting Sports and Sports Fishing in addition to serving as the chairman for this year's Campbell County 4-H camp. 4-H has provided me many leadership experiences and opportunities that are worth a fortune to me and I am excited to be able to continue that learning experience through this year's Leadership Team. I am proud to be part of the team, and I can't wait for an awesome year!

My name is Olivia Roybal. I am currently a junior at Encampment K-12 School. I participate in volleyball and basketball and after high school I plan to go to college for nursing. I have been in 4-H for nine years and participated in various projects such as leadership, pigs, horses, dogs, and sewing. I love all the opportunities 4-H offers. In my spare time I like spending time with my family, friends, and riding my horse. In all the time I put into raising my pigs and going to other activities, 4-H inspired me to be on the leadership team. Being on the team is an opportunity that only comes once or twice in your life time so I am very glad that I got the opportunity to have an input in 4-H and be a part of the 2012 leadership team.

Hello, I'm Thomas Shaffer and I am 16 years old. I am currently enrolled as a junior at Pinedale High School. In school, I am involved in Student Council and National Honor Society. After I graduate, I plan on attending the University of Wyoming and becoming a petroleum engineer. In 4-H, I'm involved in projects such as market swine, archery, shotgun and of course, leadership. I also help with the elementary robotics club after school every week. Last year, I had the chance to go to Mongolia with the 4-H program.
