

## Fall 2021 International Teaching Assistant Training Workshop Series

The English Language Center offers its series of ITA Training workshops again during the fall 2021 semester! Take advantage of this unique opportunity to start or complete your International TA Training Certificate!

ITA Training Workshops are free of charge and each workshop is offered two times: as face-to-face (f2f) and synchronous (live) ZOOM session. You can enroll in either face-to-face sessions only, live Zoom sessions only, or mix sessions and do some of them f2f and others online. It is your decision whether you complete the series or only attend one or two workshops.

Workshop registration will start on Sept. 2, 2021. Registration information will be sent out close to this date. Find information about ITA Training Workshop content at <http://www.uwyo.edu/study-iep-esl/grad-ta-support/ita-training-workshop-descriptions-1.pdf>
