CODE OF PROFESSIONAL EXPECTATIONS FOR STUDENTS

The College of Business expects the highest level of integrity from our administration, faculty, staff, students, and alumni. As students of the College of Business at the University of Wyoming, you are expected to conduct yourselves in a professional manner as described below and to adhere to the ethical principles of this College as well as the University's Standards as outlined in the University Regulations.

The College of Business Code of Professional Expectations is built on the foundation of respect for others, personal responsibility, the creation and maintenance of trust, and honesty and truthfulness. The administration, faculty, staff, students, and alumni of the College of Business at the University of Wyoming should strive to set an example of ethical leadership and professional behavior as those traits are essential for good social and business interactions. **Students should exhibit professional conduct,**

In the classroom by:

- Showing respect for colleagues and instructors by listening to others' points of view, staying attentive, offering one's opinion in a courteous, respectful manner, and avoiding inappropriate body and verbal language.
- Being prepared (reading the assigned materials and doing the assigned homework on time), taking an active role in cooperative-learning activities, participating in class discussions, and understanding the importance and connectedness of course content.

In all curricular and co-curricular activities by:

- Dressing appropriately and being on time for club and professional meetings, appointments, recruiting events, and job interviews.
- Showing respect for faculty, staff, colleagues, and guests by using appropriate body and verbal language during club and professional meetings, appointments, recruiting events, and job interviews.

In the academic environment by:

- Upholding academic integrity by avoiding intellectual theft of any kind. Students will adhere to requirements for academic honesty as set forth in University Regulation 802. Under no circumstances will violations to this regulation be tolerated.
- Avoiding cheating in any form: plagiarism (if you didn't write it, cite it), falsification, unauthorized use of educational materials (for example, using a solution manual without permission), and facilitation of another student's intellectual theft and other violations set forth in University Regulation 802.

UNIVERSITY STUDIES PROGRAM (USP) 2015

The [University Studies Program](#) provides a common experience for all undergraduate students. Through the pursuit of a baccalaureate degree, UW students will: develop knowledge of human culture, the physical and natural world, and the U.S. and Wyoming constitutions; acquire a core set of intellectual and practical skills; and develop personal and social responsibility. UW aspires for its graduates to become life-long learners, ethical leaders, and contributing members to society. Students who enter UW or a Wyoming community college beginning in fall 2015 will be required to meet the USP 2015 requirements for graduation. Requirements of the USP are divided into categories based on the student learning outcomes. All courses are mutually exclusive of each other; no single course may count in more than one category. USP designated courses are open to all UW students (with a few exceptions for the Synergy and Honors Programs).

Transfer and re-enrolling students must satisfy the same requirements as continuously enrolled students. Once you have been dropped from a course, verification of prerequisites does not guarantee re-enrollment if the class is full.

¹Transfer grades are not counted in the UW GPA (see UW Catalog http://www.uwyo.edu/registrar/university_catalog/grade.html for additional information). Transfer students who have not attended the University of Wyoming, and therefore do not have an established UW institution cumulative GPA, and who have completed the required ten (10) courses with a C or better, have 60 earned credit hours, and have a 2.50 cumulative TRANSFER GPA will be awarded ABS.

PLANNING TIPS AND HINTS

HOW TO BE A SUCCESSFUL STUDENT

- Check your UW email account. Don't miss important mailings.
- Attend class and take good notes. You are expected to attend class.
- Be prepared for class by completing all assignments on time.
- Use a day planner! This lets you be in control of your time.
- Don't expect faculty to accept late assignments.
- Don't expect faculty to accommodate your plans when it is test time.
- A student may add, drop classes or change sections of the same course through the drop/add period of each semester. **Be aware of your deadline dates. They are available in your WyoRecords student account via [WyoWeb](#) portal.**
- Be sure you have completed prerequisites before you register for courses. You are at risk of being dropped if you lack prerequisites.
- Save copies of your business course notes, grade reports, course request forms and syllabi.
- Check your WyoRecords student account for important dates.
- Update addresses and/or phone numbers in your WyoRecords student account.
- Plan ahead when needing a copy of your transcripts. You can request your official UW transcripts in your WyoRecords student account. You are the only person who can request a copy of your grades or transcripts.
- Request transfer transcripts from the institution from which you took the course to be sent to the UW Admissions Office.

REGISTRATION

- Next time you need to be advised, you'll go to the College of Business Academic Advising Office. Advising schedules are posted online in October for spring advising and March for fall advising. When planning your class schedule, always determine several alternative classes in case some of your preferred classes are closed. This is particularly important for sophomores.
- Watch your uwyo.edu email for your advising day.
- Become familiar with your degree evaluation.
- Summer advising is not mandatory. COBAAO encourages you to check with us regarding your summer academic plans.
- Your PERC number, registration day and time will be released *after* your Course Request Form has been approved by an advisor.
- Answer the Medical Insurance Coverage question in your WyoRecords student account.
- Read Student Financial Responsibility Agreement.
- Always advise and register during your scheduled time. Even if you're not certain you are returning the following semester. It's easier to register and drop classes than to wait and realize you're limited in your class selection because of closed classes.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT - FERPA

Information regarding the [Family Educational Rights and Privacy Act \(FERPA\)](#) is contained in the class schedule each semester. This Federal law indicates that you have a right to request that your “directory information” not be made public. “Directory Information” includes:

- your name
- your local address and phone number
- your permanent address and phone number
- your college, department, major
- affirmation of current enrollment
- dates of enrollment
- degrees received
- honors received
- email address
- participation in officially recognized activities and sports
- weight and height of members of athletic teams

The University of Wyoming has the responsibility for effectively supervising any access to and/or release of official data/information about our students. However, because Wyoming is a Public Records state, the above information may be released to any outside entity that requests it unless a student has requested that a Privacy Flag be placed on his or her records.

If you do not want any of the above information to be released to anyone outside the university, you need to complete a [Request for Privacy](#) (scroll down to P-R and click on link) Flag form and submit it to the Office of the Registrar. This form must be received no later than seven working days from the first day of classes for the fall semester in order for your information not to be included in the Campus Directory. A Privacy Flag means that your name and address will not appear in the Campus Directory, that your name will not be included in any news releases (including honor rolls or graduation). Information will not be released to prospective employers, insurance companies, credit agencies, etc. If anyone requests information in person, by fax, mail or telephone, UW will respond to the requestor with the following statement: “We do not have any information available on that individual.” The request will remain in effect until the student instructs the Office of the Registrar in writing to have the request removed.

DEGREE EVALUATION TUTORIAL

The College of Business Academic Advising Office created a [Degree Evaluation tutorial](#) (scroll down to Degree Evaluation) which you may find useful. The Degree Evaluation is a web-based planning tool to help students and advisors monitor student progress toward degree completion. It also allows for advising notes and provides a place to create semester plans. The Degree Evaluation provides a more accessible, convenient, and organized way for students to track their academic progress and to assist with planning their college career. The Degree Evaluation is not a substitute for consultation with an academic advisor. Students are still required to visit with their academic advisor in order to receive access to register for classes.

ACCESSING YOUR DEGREE EVALUATION

*How to access your **DEGREE EVALUATION** through your WyoRecords student account within the WyoWeb Portal:*

1. Click on **Students** under **WyoRecords** area.
2. Click on **Student Records** button.
3. Click on **Degree Evaluation** button.
4. You may get a popup blocker warning; if so, allow the popup.
5. Please wait while your request is processed . . .
6. If you wish to save the Degree Evaluation, select the “**Save as PDF**” button which will save your degree evaluation as a PDF.
