

Program	College	Total Degrees / Graduates 2010-2015	Total students currently in major (2015 #'s)	Dean's recommendation	AA recommendation
BA American Studies	A&S	12	9	Eliminate BA Reinvest in MA Consolidate in admin home for "Division of Interdisciplinary Studies."	Concur
BS Astronomy and Astrophysics	A&S	13	34	Retain	Concur
BS Botany	A&S	11	12	Retain Change curriculum to reflect national trends Change admin of LIFE Program, under auspices of Botany, Zoology & Physiology, or both, rather than status as an independent unit	Concur, recommend curriculum review to distinguish curriculum or consider consolidating with other programs in Ecology, LIFE, Plant Science or others.
MS Chemistry	A&S	13	0	Feeder and fallback for strong PhD in CHEM. Retain	Concur
BA and MA in French	A&S	30= BA 6 = MA	BA = 12 MA = 2	Maintain BA Eliminate MA Pursue unified World Languages M.A. for training secondary language teachers in the state. Integrate a handful of graduate course offerings in French into this.	Concur
Masters in Geography Planning	A&S	5	2	Eliminate program, OR Make a track within the Masters of Public Administration program (within Political Science). Many MPA's have such a track. The Dean's recommendation is the second option.	Concur with Dean's recommendation to make MGP a track in MPA
BA Geology and Earth Sciences	A&S	19	19	Consolidate all sub-majors into one BS Geology/Geophysics, allow for track option in this area	Concur - reduces complexity of program
BS Environmental Geology/Geohydrology	A&S	2	18	Consolidate all sub-majors into one BS Geology/Geophysics, allow for track option in this area	Concur – reduces complexity of program
MS Geophysics	A&S	10	8	Maintain Industry need, strong feeder for PhD	Concur
BA and MA in German	A&S	19= BA 4 = MA	BA = 14 MA = 1	Maintain BA Eliminate MA Pursue unified World Languages M.A. for training secondary language teachers in the state. Integrate a handful of graduate course offerings in German into this.	Concur
BA Gender and Women's Studies	A&S	20	16	Maintain Consolidate in admin home for "Division of Interdisciplinary Studies."	Concur
MS Neurosciences	A&S/Cross College	6	2	Eliminate MS, retain PhD	Concur
MA Philosophy	A&S	13	5	Eliminate MA Retain and restructure BA	Concur
				Eliminate BA Retain Russian Minor	

BA Russian	A&S	14	13	Pursue unified World Languages M.A. for training secondary language teachers in the state. Integrate a handful of 4000-level course offerings in into this.	Concur
BS Statistics	A&S	8	18	Degree should be "re-vamped" with a 'Data Analytics' track added. Serious consideration should be given to an interdisciplinary degree. Ph.D. accepted no new students this academic year and should be considered for closure to focus on MS, BS, and minors. The small	Concur Merge with MATH Focus on data science collaborations across campus Discontinue PhD
MS Economics	Business	14	7	Department head recommendation: Retain – revision of curriculum for both MS and PHD in Econ completed this year	Concur – feeder and fallback for strong PhD
MS Finance	Business	14	8	Dept head recommendation: Retain, revise curriculum in line with recent review by FIN faculty for MS FIN	If FIN program leaves ECON department, required coursework must be significantly redesigned to provide curriculum currently provided by ECON. If this is the case, the MS FIN would need to be taken off the books and put forward again.
MS Finance and Economics	Business	8	0	Dept head recommendation: Retain, revise curriculum in line with recent review by FIN faculty for graduate FIN curriculum	If FIN program leaves ECON department, required coursework must be significantly redesigned to provide curriculum currently provided by ECON. If this is the case, the MS FIN would need to be taken off the books and put forward again.
BS Technical Education	Education	15	7	Technical Education – offered only at the UW- Casper campus - and the UW campus-based Agriculture Education degree program should be consolidated. The Technical Education and Agricultural Education degree programs enjoy overlapping curriculum and skill sets needed to teach in	Concur Recommendation put into abeyance upon further discussions with Dean. Logistics at this time not conducive to consolidation at this time; further review in AY 17-18.
MS in Family and Consumer Sciences and MS in Food Science and Human Nutrition	Agriculture and Natural Resources	7 FCS 7 Food Science/ Human Nutrition	MS FCS = 1 MS Food Science = 6	Retain MS FCS Continue with in-progress elimination of MS Food Science and Human Nutrition	Suggest exploration of cross-disciplinary options with units that have common or complimentary focus, e.g., kinesiology and health. Continue consolidation efforts into online curriculum
MS Animal and Veterinary Science	Agriculture and Natural Resources	31	9	Retain	Concur Recommend examination in medium term of efficiencies in departmental structure for graduate program. The undergraduate degree in Animal and Vet science merits investment (157 students over 5 years).

UW Academic Program Review Round One – Summary and Academic Affairs Recommendations

Bachelors programs with <25 degrees awarded 2010-2015; Masters programs with < 15 degrees awarded 2010-2015; PhD at Dean's discretion

Last update 8/16/16
