Successful completion of the 2+2 plan requires that a student remain continuously enrolled and graduate with the associate's degree from his or her respective community college. • If an associate's degree includes transfer credit from another institution, those external credits may not have equivalencies at the University of Wyoming (UW) and can impact the nature of the 2+2 plan. Please consult with an academic advisor. • Be aware that different academic institutions have different grading policies that can impact the transfer of courses. Please consult with an academic advisor. • This is a guide for course work in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the catalogs of their respective institutions and consult with their academic advisor to plan accordingly. • Academic plans and course schedules may need to be altered if ACT or Math Placement scores require a student to take pre-college courses (e.g., MATH 0900, 0921, or 0925) before taking required math or English courses.

Casper College requirements:

In order to graduate, students must successfully complete a minimum of 60 credit hours, with 15 of the last 30 semester hours completed as a degree-seeking student at Casper College, and with a grade point average of 2.0 or higher in those courses counted toward graduation. • Students must earn at least 24 of the semester credits applied toward graduation through the completion of Casper College coursework, including at least six (6) hours with the desired major. • Only courses numbered 1000 or above can be used toward the degree.

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from UW. • Courses must be taken for a letter grade unless offered only for S/U.

UW College of Business requirements:

This program has been formulated to meet the requirements of UW, the UW College of Business, and the Association to Advance Collegiate Schools of Business (AACSB) International. • A 2.50 cumulative transfer grade point average required. • A 2.50 grade point average is required in all College of Business courses. • A 2.50 grade point average is required in all UW courses. • 50% of business credit hours must be from UW. • A maximum of six (6) hours of freshman/sophomore-level military science and a maximum of six (6) hours of junior/senior-level military science may be applied to degrees in the College of Business.

UW Accounting Program Notes:

* Component of Advanced Business Standing. A grade of C or above is required.

** Common Body of Knowledge or Major Specific Core course. A grade of C or above is required.

It is recommended that students planning to sit for the CPA exam take MGT 4350 (Commercial Law).

^ Recommend one (1) of the following courses:

ACCT 4010 Accounting Information Systems II

ACCT 4540 Cost Accounting II

ACCT 4020 Information Security

ACCT 4830 Survey of International Accounting

† Passing MGT 4800 includes a passing score on the required ETS standardized test for COB majors.
