TOTAL			<u>14</u>	TOTAL			<u>16</u>
TOTAL WWCC AA DEGREE HOURS							<u>64</u>

Successful completion of the 2+2 plan requires that a student remain continuously enrolled and graduate with the associate's degree from his or her respective community college. • This is a guide for course work in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the catalogs of their respective institutions and consult with their academic advisor to plan accordingly. • Academic plans and course schedules may need to be altered if ACT or Math Placement scores require a student to take pre-college courses (e.g., MATH 0900, 0921, or 0925) before taking required math or English courses.

Western Wyoming Community College requirements:

In order to graduate, students must have a cumulative grade point average of 2.00 (a "C" average) or better in all hours attempted at Western Wyoming Community College. • At least 15 credit hours must be completed through WWCC. • Generally, no courses taken from WWCC for S/U grades may be used for graduation hours. • Students may not receive credit for courses which are prerequisite to course they have already completed. • A maximum of six (6) hours of studies or workshop courses may be applied toward the Associates Degree. • A maximum of four (4) hours of internship may be allowed for AA or AS degrees.

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U.

UW College of Arts and Sciences requirements:

Students must take two "core" courses in addition to UW's University Studies Program requirements: Diversity in the United States (ASD) and Global Awareness (ASG). • No more than 60 hours in the major subject may be used toward the 120 credit hours required for graduation. • At least 30 hours in the major subject must be completed with a grade of C or better (the major may require more).

WWCC Social Science with emphasis in Anthropology Program Notes:

* Study must be in one (1) language. • UW's Department of Anthropology accepts American Sign Language to fulfill the foreign language requirement of the major.

** It is highly recommended that students select a course that meets UW's Diversity in the US (ASD) requirement. Discuss with an advisor.

UW Anthropology Program Notes:

• All courses in the major must be completed with a grade of C or better. • A study abroad experience is highly recommended for the junior year. Consult your advisor about programs and courses.

• A **field school or guided independent research project** is highly recommended in the **summer of the second year**. Course recommendations include:

- ANTH 4140 Fieldwork in Wyoming Archaeology (2-6 hours)
- ANTH 4140 Callacpuma Archaeological Project (2-6 hours)
- ANTH 4140 Croatia Field School (2-6 hours)

Consult faculty about alternative ethnographic and archaeological field school opportunities.

• An **internship or guided independent study research project** is highly recommended in the **summer of the junior year**.

Course recommendations include:

- ANTH 4970 Internship (1-12 hours)
- ANTH 4975 Undergraduate Practicum in Anthropology (1-4 hours)

1. Must take one (1) hour of ANTH 4975 (Undergraduate Practicum in Anthropology) concurrently with the course.

2. Elective courses are expected to complement the student's interests in anthropology. • Additional coursework in biological science, earth science, or statistics/mathematics is recommended. • Additional courses fulfilling the H USP requirement also may be appropriate for a student. • Discuss with an academic advisor.
