**Credit hours subtotal: 6**

**B.A. Art Education total credit total: 124**

**B.A. Art Education Program Notes:**

**B.A. in Art Education Degree.** The Art Education degree supports students' development as reflective, innovative and engaged K-12 art educators. The curriculum encompasses extensive Studio Art competencies as well as studies in Art History and Professional Education. Art Education courses cover a variety of teaching practices and methods of curriculum development that include interdisciplinary, multicultural approaches to teaching and emphasize relevance to the lives of K-12 students and the realities of our contemporary world. In-class learning is augmented with firsthand teaching experiences in local and regional schools and includes teaching people of all ages in community-based arts settings. Upon graduation from our program, students earn Wyoming licensure for teaching K-12 Art.

- A minimum of 120 hours is required, 88 within the Art Major. A minimum of 42 hours must be upper division (3000 & 4000 level). All Art courses must be a grade of C or better. 2.75 overall GPA is required.
- Students are required to apply for a Wyoming Substitute Teaching Certificate in the fall of their first semester in the program.

Minimum course requirements for Art Education Majors follow the curriculum plan for the B.A. Degree: University and College requirements, Foundations Core, Art History Core, Studio Core and Upper Division Studio Electives. The exception that there is no Foreign Language requirement. Students are required to apply for a Wyoming Substitute Teaching Certificate in the fall of their first semester in the program.

- Degree Candidates must meet the academic requirements of the university, and must have a minimum GPA of 2.75 in all courses required for the major. • Grades of C or better are required for all prerequisite courses.

**Transfer Residency:** A minimum of 26 hours of upper-division course work in the major is required to establish residency in the department for all transfer students. This applies to students in all five of the B.F.A., B.A., and Art Education degree programs who transfer in 12 or more hours of art courses for the major. Students in all art programs must meet the university requirement of at least 42 hours of course work at the upper-division level (3000- and above).

• **Application:** Students must fulfill the requirements listed in the Application for Art Education Checklist: Completion of ART 2000 Portfolio Review with a Satisfactory, C or above in Education Courses, C or above in Art Content Courses, Junior Standing (60+ credits), 2.75 or above overall UW total institutional GPA, complete background check.

- Students may not take a course for S/U credit to satisfy any requirement, unless the course is offered for S/U credit only.

### College of Arts and Sciences Requirements

- Students must take two "core" courses in addition to UW's USP requirements: Diversity in the United States (ASD) and Global Awareness (ASG).
- No more than 60 hours in the major subject may be used toward the 120 credit hours required for graduation.
- At least 30 hours in the major subject must be completed with a grade of C or better (individual majors may require more).

### University of Wyoming Requirements

- Students must have a minimum cumulative GPA of 2.0 to graduate.
- Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming.
- Courses must be taken for a single letter grade unless offered only for S/U.
- University Studies Program (USP), Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

The University of Wyoming Office of the Registrar provides final approval of degree completion requirements prior to the awarding of any degree.
