**B.S. Computer Science total credit total: 119**

**Computer Science Major Notes:**

- A minimum of 120 hours is required. A minimum of 42 hours must be upper division. A minimum of 30 hours must be math/science.
- All COSC, MATH & STAT courses require a minimum grade of C.
- Students must simultaneously complete an approved Minor in the College of Business.
- COSC electives must be at or above 3000 level. A maximum of 3 hours of COSC 3970 (internship) can be used.
- Math and Science Electives must be selected with advisor's approval from Department list. Science courses must have a lab. Math courses must be at or above MATH 2205 or STAT 3000. Cannot count MATH 2350/2355/4000, STAT 4220 or any variable credit course. Four hours of Math/Science Electives are required. Two 3-credit courses can also be used.
- General Electives cannot meet any other requirement for the major and should be selected to satisfy the 42-credit upper division requirement.
- Courses for requirements with options (Systems, Programming Language, Theory, O/S) are offered in alternating semesters. See advisor for clarification.
- Students may not take a course for S/U credit to satisfy any requirement, unless the course is offered for S/U credit only.

- Students must have a minimum cumulative GPA of 2.0 to graduate.
- Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming.
- Courses must be taken for a single letter grade unless offered only for S/U.
- University Studies Program (USP), Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

The University of Wyoming Office of the Registrar provides final approval of degree completion requirements prior to the awarding of any degree.
