

Theatre & Dance, Dance Science Concentration, BFA

University of Wyoming, 2015-16

The BFA in Dance Science is a professionally oriented degree for students interested in a career of dance research and wish to pursue some aspect of the science field in relation to dance. All dance students are matriculated into the BA dance degree. Students wishing to apply for the BFA in Dance Performance or BFA in Dance Science do so in the second semester of their freshman year.

Freshman Fall Semester			Hrs	Min Grade	Notes
		USP Communication 1	3	C	C1

		Electives	14		
Credit hours subtotal:			17		

TOTAL CREDIT HOURS: 128

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

College of Arts and Sciences requirements:

Students must take two "core" courses in addition to the USP requirements: Diversity in the United States (ASD) and Global Awareness (ASG). • No more than 60 hours in the major subject may be used toward the 120 credit hours required for graduation. • At least 30 hours in the major subject must be completed with a grade of C or better (the major may require more).

Theatre & Dance, Dance Science Concentration, BFA

University of Wyoming, 2015-16

Theatre & Dance, Dance Science Concentration Program Notes:

All students admitted to the BFA program are considered on provisional status in their first year of the program and are evaluated on a yearly basis. • A 3.0 GPA must be maintained in all required dance courses. • Participation in the London Semester or a study abroad program is recommended. Please consult with an advisor.

* Requires MATH ACT ≥ 21 , MATH SAT ≥ 600 , Math Placement Exam ≥ 2 , or $\geq C$ in Math 0921. (University standard)

** Two semesters of a foreign language are strongly recommended. One of the courses will fulfill one of UW's general studies human culture (H) requirements. However, if American Sign Language is taken, other courses will need to be identified to fulfill the H requirement.

*** Receive one (1) credit for research methods and two (2) credits for research and writing; can be distributed over two (2) semesters.

**** **Upper division electives in Family & Consumer Science (FCSC), Kinesiology (KIN) or Psychology (PSYC).**

Choose a minimum of six (6) hours from the following [NOTE: additional prerequisites may be needed; check course descriptions in the *University Catalog* and discuss with an academic advisor]:

FCSC 3145	Sport Nutrition and Metabolism	KIN 3042	Biomechanics of Human Movement
FCSC 4147	Nutrition and Weight Control	PSYC 3120	Cognitive Psychology
KIN 3021	Physiology of Exercise	PSYC 3250	Health Psychology
KIN 3040	Teaching Anatomy	PSYC 4070	Motivation
