

# Arts & Sciences – Undeclared

## University of Wyoming, 2015-16

At the University of Wyoming, it is impossible to earn an "undeclared" degree. The "undeclared" classification is temporary in nature and is designed to allow students to consider and explore different majors and career paths. For maximum success and efficiency, students are advised to declare and concentrate on a major discipline as soon as possible. Therefore, this plan establishes a pathway for only two years. Please contact 307-766-2398 with any questions about being undeclared in the College of Arts and Sciences
