Credit hours subtotal:			<b>15</b>			

This is a guide for course work in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation, and consult with an academic advisor. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the *University Catalog* and consult with their academic advisor to plan accordingly.

### University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

### Agricultural Business - International Ag Option Program Notes:

The Department of Agricultural and Applied Economics does not allow ag economics (AGEC) or economics (ECON) courses to fulfill the USP H requirement. • An approved international experience or internship is highly recommended. Please consult with an academic advisor.

\* A **single language** must be taken for three (3) semesters or 12 hours to fulfill the foreign language requirement for the program. • Students taking American Sign Language to fulfill the language requirement of the major will have to take other courses to fulfill the USP H requirements. • If a student wishes to use their elective hours to contribute to a minor in foreign language (18 hours beyond the 12 required), six (6) credits of international social sciences, business, and economics requirements can be waived. Discuss with an academic advisor.

# Agricultural Business–International Ag Option, BS

## University of Wyoming, 2016-17
