## Human Development and Family Sciences

### University of Wyoming, 2016-17

Students choosing to major in the Human Development and Family Sciences option of FCSC must successfully pass a security screening upon declaration of the major. Students should contact the department early about the process. Upon completion of the program, students have the option of submitting their transcripts and materials to the National Council on Family Relationships to become a Certified Family Life Educator.

This is a guide for course work in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation, and consult with an academic advisor. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the *University Catalog* and consult with their academic advisor to plan accordingly.

#### University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

#### Family & Consumer Sciences Human Development Program Notes:

- Students are required to pass all courses within the Department of Family and Consumer Sciences with a grade of C or better.
