

Organizational Leadership, BAS

University of Wyoming, 2016-17

Entry Requirements

- The Bachelor of Applied Science (BAS) program in Organizational Leadership is a distance-only degree program. It is designed for individuals with a minimum of two years work experience and an existing Associate of Applied Science (AAS), Associate of Arts (AA), Associate of Science (AS), or Associate of Business (AB) from a Wyoming community college or an equivalent degree from another accredited institution. All students, therefore, are transfer students and should apply to the program as such. Current UW students must formally apply; they may not simply fill out a 'Change of Major' form and enter the program.
- Students with an Associate of Applied Science (AAS) degree from a Wyoming community college will normally matriculate with 15-20 hours of credit that count toward UW's University Studies Program (USP) requirements. If not all USP requirements have been met, the remainder will be required as part of a UW student's coursework, in addition to the Professional Concentration or electives coursework. This may mean that it will take longer to complete the BAS than a student holding the AA, AS, or AB degree. Please go to uwyo.edu/unst/usp2015/ for more information about UW's USP requirements.
- These are the steps for application:
 1. Apply to the University of Wyoming through Admissions, declaring the Bachelor of Applied Science in Organizational Leadership as the major. Be sure to apply as a transfer student.
 2. Email an attachment of your resume to BAS@uwyo.edu
 3. Have official transcripts from all institutions sent to Admissions.
 4. Email BAS@uwyo.edu after being admitted to UW. The program can then track your files to evaluate them for the BAS program. (Note: Acceptance to UW does not mean that you have been accepted to the BAS program.)
 5. Students will receive a letter informing them of the BAS application decision. If a student is denied admission to the BAS program, an explanation for the denial will be provided. If accepted, the student will be given information for how to connect with the program advisor to enroll in classes.

This is a guide for coursework in the major; actual course sequence may vary by student. • Not all courses are offered every semester and some courses have prerequisites. Consult with an academic advisor and plan accordingly.

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for letter grade unless offered only for S/U.

BAS Program Notes:

Students in the BAS program must earn a C in all courses on the BAS checklist (uwyo.edu/basa/). Failure to do so will require repeating the course. Per UW Regulations, students may only attempt a course three times; a grade of F or W count as attempts.

* Professional Organization Section 4: Organizational Leadership Courses

Each student must choose Option A or Option B to complete this section of the course requirements. Students will fulfill 12 credit hours (four [4] courses) from the courses listed on page 2. **Students may not combine Option A and Option B courses to fulfill the requirements for Section 4.**
