

Physical Education Teacher Education (K-12), BS

University of Wyoming, 2017-18

In the spring semester of the sophomore year, students must make application for admission to the final two years of the Physical Education Teacher Education (PHET) program. Minimum qualifications considered include: completion of coursework specific to the first two years of the program; a minimum gpa of 2.75 (3.0 preferred); completion of 60 contact hours with youth in a movement setting; completion of a written essay; an interview; and a criminal background check. Admission to the PHET program is competitive, and applicants meeting the minimum requirements are not guaranteed admission into the program. The application deadline for a fall semester admission is April 15. A maximum of 20 students are admitted into the program each fall semester.

College of Health Sciences Notes:

Performance expectations for majors in the College of Health Sciences exceed institutional requirements. Please discuss with an academic advisor to understand the difference. • Admission to the clinical portion of Health Sciences majors is competitive and is not guaranteed even with minimum qualifications. Be prepared to meet and exceed expectations. • Background checks are required at some point within all Health Science majors and careers. Students should understand the long-term ramifications of all decisions and actions early on so as not to jeopardize future academic and career goals.
