This sample degree plan is a guide for course work in the major. • Course sequencing may need to be altered if ACT or Math Placement scores require a student to take pre-college courses before taking required math or English courses. • Not all courses are offered every semester and some electives may have prerequisites. Students should review course descriptions in the *University Catalog* and consult with their academic advisor to plan accordingly.

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.00 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

College of Business requirements:

This program has been formulated to meet the requirements of the College of Business and the Association to Advance Collegiate Schools of Business (AACSB) International. • A 2.50 grade point average is required in all College of Business courses to graduate. • A 2.50 grade point average is required in all UW courses for Advanced Business Standing and graduation. • 50% of business credit hours must be from UW. • A grade of C or above required for common body of knowledge and major specific core courses. • A maximum of six (6) hours of freshman/sophomore-level military science and a maximum of six (6) hours of junior/senior-level military science may be applied to degrees in the College of Business.
