College of Health Sciences notes:

Performance expectations for majors in the College of Health Sciences exceed institutional requirements. Please discuss with an academic advisor to understand the difference. • Admission to the clinical portions of Health Sciences majors is competitive and is not guaranteed even with minimum qualifications. Be prepared to exceed expectations. • Background checks are required at some point within all Health Sciences majors. Students should understand the long-term ramifications of all decisions and actions early on so as not to jeopardize future academic and career goals.

Physical Education Teacher Education Program notes:

In the spring semester of the sophomore year, students must apply for admission to the final two years of the Physical Education Teacher Education (PHET) program. Minimum qualifications considered include: completion of coursework specific to the first two years of the program; a minimum gpa of 2.75 (3.00 preferred); completion of 60 contact hours with youth in a movement setting; completion of a written essay; an interview; and a criminal background check. Admission to the PHET program is competitive, and applicants meeting the minimum requirements are not guaranteed admission into the program. The application deadline for fall semester admission is April 15. A maximum of 20 students are admitted into the program each fall semester. Students taking additional credit hours during their freshman and sophomore years should consider taking one or more of the following courses:

EDEX 2484	Introduction to Special Education (3 hrs)	KIN 3060	Understanding Skill Acquisition for Teaching (3 hrs)
EDSE 3540	Teaching Reading in the Content Area (3 hrs)	PSYC 2210	Drugs and Behavior (3 hrs)
KIN 3050	Prevention & Care of Athletic Injuries (2 hrs)
