This program has been formulated to meet the requirements of the University of Wyoming (UW), the College of Business, and the Association to Advance Collegiate Schools of Business (AACSB) International. • This is a guide for coursework in the major; actual course sequence may vary by student and is subject to change. Please refer to the online degree evaluation, and consult with an academic advisor. • Academic plans and course schedules may need to be altered if Math Placement scores require Math 0900, 0921, or 0925. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the *University Catalog* and consult with their academic advisor to plan accordingly.

### University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

### College of Business requirements:

A 2.50 grade point average is required in all College of Business courses to graduate. • A 2.50 grade point average is required in all UW courses for Advanced Business Standing and graduation. • 50% of business credit hours must be from UW. • A grade of C or above required for common body of knowledge and major specific core courses. • A maximum of six (6) hours of freshman/sophomore-level military science and a maximum of six (6) hours of junior/senior-level military science may be applied to degrees in the College of Business.

### Economics Program Notes:

• In addition to College of Business grade requirements, a 2.50 grade point average is required in all economics courses for graduation.

\* Requires MATH ACT  $\geq$  23, MATH SAT  $\geq$  600, Math Placement Exam  $\geq$  3, or  $\geq$  C grade in MATH 0925.
