College of Education requirements:

The College of Education maintains rigorous admission standards to ensure the quality of preparation for future educators. This plan assumes students are able to start taking 1000-level courses the first semester of college. All professional education courses and all major content courses must be completed with a grade of C or higher. A minimum 2.50 gpa is required in major content. Current UW students wishing to change their major, students seeking re-admission to UW, or those transferring to UW from another institution can learn more about the specific admission requirements for these groups at: <http://www.uwyo.edu/ste/teacher-preparation-and-advising-office/admission%20requirements.html>. All students must undergo and pass an initial criminal background check prior to full admission to the College of Education. Any costs associated with the background check are the responsibility of the student. A second background check is included as part of the state application process for the Wyoming Substitute Teaching Permit, which is required for admission to Phase II of UW's teacher education program. Criminal background checks are a standard for the profession.

Bachelors degrees in the College of Education operate in a series of phases: Phase I, Phase II, Phase IIIa, and Phase IIIb. Continuation in the program in any content area is dependent upon the successful completion of prerequisites for each phase. A minimum 2.75 cumulative UW gpa is required for Phase II, and Phases IIIa/IIIb of the program, and to meet College of Education graduation requirements. Specific information about these requirements can be found on the program sheets for each content area that are located at: <http://www.uwyo.edu/ste/teacher-preparation-and-advising-office/majors-and-program-sheets/>.

Concurrent Majors: All Secondary Education degree programs in the College of Education include a concurrent major in the student's content area.

Secondary French Education, BA with Concurrent Major in French

Secondary French Education with Concurrent Major in French Program notes:

* The course prerequisite of a 2.50 cumulative UW gpa is waived for new, incoming students who have declared education as their major for their first semester only.

Studying abroad in a target language speaking country is strongly recommended. The minimum length of this experience should be one semester or two summers, both in a structured language program, preferably in a home stay situation. • A summer session must be no shorter than a four-week intensive program in order to be counted as a study abroad opportunity.

Language Proficiency Requirement:

In rating your oral and written French language proficiency, the UW School of Teacher Education uses the scale developed by the American Council on the Teaching of Foreign Languages (ACTFL). You must take the Oral Proficiency Interview and the Written Proficiency Test, and demonstrate that you have attained a score of Advanced Low or better on both assessments prior to enrollment in EDSE 4276 (Modern Languages Methods II). Note that the oral and written language proficiency requirements are mandated by the National Council for Accreditation of Teacher Education (NCATE).
