	MATH	1400	College Algebra ²	3	Q; May substitute MATH 1450 (Algebra & Trig)	
			Electives	5		
Credit hours subtotal:				15		

Sophomore Fall Semester

	FCSC	2121	Child Development	4		Prereq: PSYC 1000, SOC 1000, or EDST 2450
	KIN	2040	Human Anatomy	3		Must be taken with KIN 2041
	KIN	2041	Human Anatomy Lab	1		Must be taken with KIN 2040
	SPPA	2110	American Sign Language I	4	C	
▲	SPPA	2210	Phonetics and Phonological Development	3	C	
Credit hours subtotal:				15		

Sophomore Spring Semester

			USP Communication 2	3	C2	
	SPPA	2120	American Sign Language II	4	C	Prerequisite: SPPA 2110
▲	SPPA	3160	Language Development	4	C	
			USP Human Culture	3	H	
Credit hours subtotal:				14		

This is a guide for course work in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation and consult with an academic advisor. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the *University Catalog* and consult with their academic advisor to plan accordingly.

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

College of Health Sciences notes:

Performance expectations for majors in the College of Health Sciences exceed institutional requirements. Please discuss with an academic advisor to understand the difference. • Admission to the clinical portion of Health Sciences majors is competitive and is not guaranteed even with minimum qualifications. Be prepared to meet and exceed expectations. • Background checks are required at some point within all Health Science majors and careers. Students should understand the long-term ramifications of all decisions and actions early on so as not to jeopardize future academic and career goals.
