<b>Credit hours subtotal:</b>				<b>16</b>		

### Sophomore Fall Semester

<b>Credit hours subtotal:</b>				<b>0</b>		

### Sophomore Spring Semester

<b>Credit hours subtotal:</b>				<b>0</b>		

This sample degree plan is a guide for course work in the major. • Course sequencing may need to be altered if ACT or Math Placement scores require a student to take pre-college courses before taking required math or English courses. • Not all courses are offered every semester and some electives may have prerequisites. Students should review course descriptions in the *University Catalog* and consult with their academic advisor to plan accordingly.

#### University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

#### School of Energy Resources requirements:

All courses must be passed with a grade of C or better.

\*Interest Area Course. Select a course to support future area of emphasis. Recommended for Energy Land and Water majors: LIFE 1010 General Biology. Recommended for Professional Land Management majors: GEOL 1100 Physical Geology
