**Final Steps**

These steps have completed the process to submit your information to the University of Wyoming for review.

You will receive an email notification confirming your information has successfully been submitted. The Procurement Services department must review and approve the information before you become a registered supplier.

Procurement Services will be in touch with next steps after this review. The typical response time is 1-2 business days, but the response time may vary depending on Procurement operational requirements.

Upon approval from the Procurement Services department, you will receive another final email stating your registration approval. Once you receive this email, it is recommended you notify the university’s department personnel you are working with regarding this approval so they can begin the purchase process.

Thank you and have a great day!
