WHAT DO I NEED TO DO NEXT?

1. Create a WyoWeb account at: wyoweb.uwyo.edu
2. Confirm your enrollment by May 1st: uwyo.edu/confirmation
3. Apply for HOUSING: uwyo.edu/housing
4. File your FAFSA by March 1 at: fafsa.ed.gov
5. Register for ORIENTATION: uwyo.edu/orientation
6. Submit proof of your Measles, Mumps & Rubella (MMR) vaccinations: uwyo.edu/shser
7. Check your UW email: uwyo.edu/orientation

GO TO: wyoweb.uwyo.edu
Obtain username & initial password (top right corner)
SUBMIT: login information
LOGIN: to WyoRecords using issued password

What do I need to do next?

ORIENTATION ............................................. uwyo.edu/orientation

“Orientation gave me a great glimpse into UW life. It helped me prepare for the year ahead.”
Colton Webb, Wildlife and Fisheries Biology, Freshman; Windsor, CO

STUDY ABROAD ............................................. uwyo.edu/studyabroad

“UW students can study at an exchange institution, through an accredited program or a faculty-led course, and because we have the single largest study abroad endowment of any public institution in North America, students can travel the world to Costa Rica, Spain, Scotland, Ghana, China, Poland and so many more.”
Ruth Shepherd, Coordinator, International Exchange

“Alternative Breaks was an amazing way to develop leadership skills and experience.”
Maddy Graham, Speech, Language & Hearing Science & Business Management, Senior; Casper, WY

OUTDOOR PROGRAMS & CAMPUS RECREATION ............................................. uwyo.edu/rec

“Campus Recreation offers a variety of programs and services for students: the Outdoor Program, Intramural & Club Sports, regional trips, outdoor equipment rental, leadership development, and training clinics. With the renovation of Half Acre, students have rooms dedicated to 50 different group fitness classes, a three-story rock climbing and bouldering wall and indoor track.”
Pat Moran, Director of Campus Recreation

“The faculty-student interaction and opportunities for undergraduate research are two of the reasons I chose the University of Wyoming.”

Brandon Fritz • Eaton, CO
Microbiology/Molecular Biology

“UW offered the programs that I wanted to study, such as Arabic. Having grown up in Wyoming, I find it interesting to study the different ways of living around the world.”

Dakota Wayne • Gillette, WY
