**Optional Campus Tour Options**
Campus tours will take place throughout the day. Please feel free to join in on a time that works best for you. Each tour will guide you around the University of Wyoming campus.

10:15-10:55
3:00-3:45
**Optional Application Center**
For those students who are interested in participating in the “Apply Through July” program, we will have an open computer lab open and have a staff member present to assist with any application questions.

Apply through July is an application event that is open to all 2014-15 high school seniors. By applying throughout the month of July, the University of Wyoming Admission’s Office will waive a student’s application fee. Students do not need to submit all application materials (transcripts, test scores) in July to qualify for a fee waiver. However, students will need to submit their transcript and test score in the fall, in order to complete their admissions application.
