

UNIVERSITY OF WYOMING ORIENTATION PARKING INFORMATION

Confirmation emails for your Orientation session will be emailed approximately one week prior to your session dates. The confirmation email includes your parking permit for Orientation. In order to avoid a ticket, you need to print off the permit, check the Orientation session you are attending (in marker), and clearly display it on your vehicle's dashboard in the front window. The permit is only valid for "R" parking spots in the Crane Parking Lot, located east of Crane Hall. We will have extra copies of the parking permit available at check-in. Admissions is not responsible for any parking citations, so please park wisely. This lot will be available all summer and we encourage families to check the Transit and Parking Services website for additional information: <http://www.uwyo.edu/tps/>
