Use Your Degree Evaluation!

Degree Evaluation (through WyoRecords)

The screenshot shows the WyoRecords Degree Evaluation tool interface. It includes a navigation bar at the top with 'Home', 'My Degree', 'My Progress', 'My Advising', 'My Records', and 'My Alerts'. Below the navigation bar, there are sections for 'Major Requirements' and 'Degree Evaluation'. The 'Major Requirements' section lists various requirements with checkboxes and status indicators. The 'Degree Evaluation' section shows a list of courses with columns for 'Requirement', 'Status', and 'Credits'. The interface is designed to help students track their progress towards degree completion.
