College of Agriculture and Natural Resources

- Agricultural Business
- Agricultural Communications
- Agroecology
- Animal and Veterinary Sciences
- Family and Consumer Sciences
- Microbiology
- Molecular Biology
- Rangeland Ecology and Watershed Management
Agricultural Business

Concentrations in:
• Agribusiness Management
• Farm and Ranch Management
• International Agriculture
• Livestock Business Management

Minors in:
• Agricultural Business
• Agricultural Economics
• Farm and Ranch Management
• International Agriculture
• Natural Resource Economics

Agricultural Communications

• Combination of coursework
  • Agricultural Emphasis
  • Multifaceted Career Opportunities
• Vast Internship Opportunities
Agroecology

Topics:
• Sustainability
• Pest Control
• Breeding
• Grains
• Hay
• Flowers

Hands-on Courses:
• Labs
• Greenhouse
• Field

Careers:
• Public
• Private
• Self

Animal & Veterinary Sciences

• Food Animal Industries
  • Production
  • Business
  • Range Livestock
• Meat Science & Food Technology
  • Communication

Veterinary, Graduate, Professional School
• Pre-veterinary Medicine
  • Animal Biology
  • Equine Science
  (major & minor available)

Clubs: Block & Bridle, Food Science, Wyoming Collegiate Cattle Association, Pre Vet, Range Club

Opportunities: Internships, research, judging teams, employment

Facilities: Livestock Research and Extension Center, Meat Lab, Research Labs
Animal & Veterinary Sciences: Pre-Veterinary Medicine Option

- Rigorous biomedical curriculum
- Practice internships, research opportunities, field experience
- Wyoming State Veterinary Laboratory and Wildlife-Livestock Health Center
  - Pre-Vet Club

Family & Consumer Sciences

- Human Nutrition and Food
  - Dietetics
  - Pre-Medicine
- Human Development and Family Sciences
- Design, Merchandising, and Textiles
Microbiology

- Food Safety and Water Quality
  - Infectious Diseases
  - Plant Pathology
  - Microbial Physiology
- Immunology
- Microbial diversity, evolution, and ecology
- Molecular Genetics and Bioinformatics

Molecular Biology

- Biochemistry
- Cell and Molecular Genetics
- Computational Molecular Biology
- Microbiology
- Pre-professional Opportunities
Rangeland Ecology & Watershed Management

• Application for livestock grazing, wildlife habitat, recreation and water productions
• Reclamation and Restoration Ecology
• Accredited by Society for Range Management
  • Field Studies
  • Internship Opportunities

Interdisciplinary / Affiliate Programs

• Earth Systems Science with a concentration in Soil Science
• Environment and Natural Resources
  • Agricultural Education
Minors
Broaden your knowledge, strengthen your marketability

- Agricultural Business
- Agroecology
- Animal and Veterinary Science
- Apparel Design
- Equine Science
- Farm and Ranch Management
- Forest Resources
- General Agricultural Economics
- Horticulture
- Human Development & Family Sciences
- Human Nutrition
- Insect Biology
- Interior Design
- International Agricultural Economics
- Molecular Biology
- Natural Resource Economics
- Plant Protection
- Rangeland Ecology & Watershed Management
- Reclamation & Restoration Ecology
- Soil Science

Office of Academic and Student Programs

Our Office

- Advising
- Scholarships
- Internships
- Job Opportunities

UW Services

- Math Lab
- Writing Center
- STEP Tutoring Center
- Oral Communication Lab
Brand of Excellence Scholarship Program

- One Online Application
- Approximately 200 Scholarships
- Approximately $680,000 awarded for the 2018-2019 academic year

Opens mid-November, priority consideration mid-January

Enhance Your Experience

- Clubs and Organizations
- Agriculture-related Sorority and Fraternities
- Competitive Teams
Enrich Your Experience
www.uwyo.edu/agprograms/internships

• Internship Opportunities for Every Major
  • Build Your Resume
• Study Abroad – Travel to Exotic Places! (Recommended FR/SO Years)
• Gain Experience and Credit

Experience Your Education

• Cliff and Martha Hansen Teaching Arena
• University Livestock Center
• UW Greenhouse Complex
  • Insect Gallery
• Wyoming State Vet Lab
• Early Care and Education Center
• Molecular Biology Facility
  • Meat Lab
  • Soil Science Labs
Family Education Rights and Privacy Act (FERPA)

- Elementary through High School
  - Gave parents and students right to access and control student’s educational records.

- College
  - Students, regardless of age, determine who will receive information about them.
  - Parents are NOT automatically granted access to a student’s records without written consent of the student.

- Includes grades, finances, and discipline records
  - Students can sign a release form to grant parents access to financial information. This form is included in the bill.

University Studies Program (USP)

- General education courses
  - First Year Seminar (FY)
  - Communication 1 (C1)
  - Communication 2 (C2)
  - Communication 3 (C3)
  - Quantitative Reasoning (Q)
  - Physical and Natural World (PN—6 credits)
  - Human Culture (H—6 credits)
  - UW & Wyoming Constitution (V)

- Required for all students, regardless of major
  - Some majors may require specific courses to be completed
15 to Finish

- All undergraduate degree programs at UW require at least 120 hours to graduate, some more.
- Take an average of at least 15 credit hours in the fall and spring semesters
- Four year degree plans are available on the UW website: [http://www.uwyo.edu/acadaffairs/degree-plans/uw-4-year-plans/](http://www.uwyo.edu/acadaffairs/degree-plans/uw-4-year-plans/)
- There is substantial data showing this dramatically increases on-time graduation rates, leads to higher GPAs, and lower dropout rates.

Academic Resources

- Math Assistance Center
- Writing Center
- Oral Communication Center
- Supplemental Instruction
- STEP Tutor Center
- eTutoring
- Disability Support Services
Check Your UW Email

• All official communication from UW and your professors will come through your University of Wyoming email, not your personal email.
• To access your UW email:
  – Go to wyoweb.uwyo.edu
  – Click on the Email icon
  – Login with your UW credentials

Viewing Your Bill

• You will not receive a paper bill!
• To access your electronic statement:
  – Go to wyoweb.uwyo.edu
  – Click on Student Account under the Students section of WyoRecords
  – Select Student Financial Portal
Paying Your Bill

• Parents can be added as an Authorized User
  – See the Financial Services booth outside the Senate Chambers
during the Resource Fair, next
  – Cannot see grades or classes
• Where/How to pay?
  – Cashiers Office in Knight Hall
  – By mail
  – Online with ACH from checking or savings account or credit card
    with a non-refundable fee
  – Installment Plan (3 payments throughout semester, $15/semester fee, final payment by 9th Friday of semester)
  – Third Party payments through Accounts Receivable

AlcoholEDU and Sexual Assault
Prevention for Undergraduates (SAPU)

• Required for all freshmen students
• Online, non-opinionated educational program administered at over 700
  campuses nationwide
• Empowers students to make well-informed decisions
• SAPU will provide information about healthy relationships, the importance
  of consent, how to help a friend, and creating a safe, positive campus.
• Courses open July 23, 2018. Deadline to complete Part 1 of both programs
  is August 24 and the Part 2 is October 26.
  – A registration hold will be placed on the student’s account if not completed by the
deadline.
• Stop by their resource fair table to learn more about the programs.
• Parents will learn more about the program tomorrow morning.
Textbooks, IDs, Parking

• University Store, located in the Union
  – Buy and rent textbooks/supplies directly online and pick up when you arrive to campus, also provides comparison to other online vendors
  – Only Apple® Authorized Campus Store in Wyoming
• WyoOne ID, located in the basement of Knight Hall
  – Access to residence hall, Washakie, library, Half Acre
  – Dining and Campus Dollars for food services, vending, and other retail locations on campus
• Transit and Parking, located 462 N. 10th Street
  – Can buy your parking permit during the resource fair next

Advising Day Expectations
For tomorrow:
• Please bring transcripts for Dual Enrollment, AP courses
• Group setting - only for orientation purposes

Advising
• Once classes start, you will be assigned an academic advisor and a faculty mentor
• Advising and mentor meetings each semester are mandatory

Registration
• PERC numbers a required to register
  o Those are released at each advising appointment after your faculty mentor has confirmed you met.

Come Prepared, Be Punctual
• Please come prepared to every appointment
• Proposed classes, questions outlined, worksheets and tasks completed
• Check your email for appointment times, updates and correspondence concerning advising
