Before you arrive:

1. **Check your WyoWeb**: Please review the major listed on your WyoWeb checklist. If your major needs to be changed from what is currently listed, please email us at admissions@uwyo.edu with your W# number and your change of major.

2. **Submit MMR Immunizations**: UW requires students to submit proof of their MMR (measles, mumps, and rubella) vaccinations with a doctor or nurse’s signature before registering for classes. Records should be uploaded to the Online Patient Portal (https://www.uwyo.edu/shser/) as soon as possible as you will not be able to register for classes until these records are received and approved by a campus nurse. Questions about the requirement should be directed to Student Health Service at (307) 766-2130 or StudentHealth@uwyo.edu.

3. **Math Placement Exam**: Before arriving to your Orientation session, we encourage you to take the Math Placement Exam online to ensure you register for the appropriate first year math class. It is recommended that you take this test at least one week prior to attending Orientation, and any retakes at least 24 hours prior to your Orientation session. You can take this from home via your WyoWeb account up to five times to maximize your score; you will need a calculator and $15 + tax. For questions regarding the placement exam, please contact the Math Department at 307-766-4221 or review their website at: http://www.uwyo.edu/math/math-placement/

4. **Upload your WyoOne ID photo**: Say Cheese! You can upload your ID picture on your WyoWeb account. This ID is used for entrance into your Residence Hall, Half Acre Gymnasium, and Cowboy/Cowgirl athletic events. If you upload a photo meeting all requirements at least 2 business days prior to your Orientation session, you can pick up your ID card when you arrive; otherwise, you can upload a photo or have your photo taken in the ID Office and pick it up any time during the summer or move-in in the fall.

5. **Complete your “Prepare for Registration” checklist**: Before you attend Orientation and register for classes, you will need to complete the Health Insurance Coverage selection, verify your UW Alert Cell Phone number, update your emergency addresses and phone, and complete the Student Financial Responsibility Agreement. This is accessed through your WyoWeb account. You can watch a “How to” video at: https://www.youtube.com/watch?v=kkuPFN87cz4&feature=youtu.be
What to pack:

- **Orientation Rules-Disciplinary Procedures & Activity Waiver:** All Orientation students are required to stay in the residence halls during Orientation. As part of this stay, students need to sign the rules and procedures document and bring it with them to Orientation. A signed activity waiver is also required as we are active during the two-day session. If the student is under the age of 18, a parent/guardian MUST sign the forms as well.

- **MMR Immunization Records:** Be sure to bring these with you if you have not already submitted it to Student Health Service. You can check your WyoRecords account to verify if your records have been received (a green checkmark will appear if you are cleared).

- **Photo ID**

- **WyoWeb Login and Password:** You will need these to register for classes!

- **Parking Permit:** You will receive a confirmation email containing a printable parking permit about a week prior to your scheduled Orientation session. Check the Orientation session you will be attending in marker and bring this permit with you to your Orientation session in order to avoid parking tickets on campus!

- **Transfer Credit Transcripts and AP/IB Test Scores:** Be sure to bring any transfer credit transcripts or AP/IB Test Scores so your advisor can review the information during your advising session.

Other items to consider bringing include:

- Alarm Clock (a cell phone works too!)
- Shower Items
- Any EpiPens or medication needed
- Sunscreen
- Bug spray

The residence halls will provide basic sheets, pillow, pillow case, blanket, as well as a towel for each student during the Orientation sessions. Students are encouraged to wear comfortable clothes, to consider attire for night activities, and to dress in layers—we love Wyoming weather, but it can be unpredictable at times!
**Transportation to Campus:** For students/families flying into the Laramie Regional Airport that do not have transportation to campus, Laramie has Snowy Range Taxi (307) 343-2323, Laramie Taxi (307) 761-9891, and Uber that service the local area. If family members are staying at a hotel, check with the hotel to see if airport transportation is offered.

For families that may be flying into Denver International Airport in Denver, CO, we encourage you to look at using the Groome Transportation (formerly Green Ride). This shuttle runs from DIA to Laramie, WY, and you can reserve a spot on the shuttle for a fairly reasonable price. For more information on this shuttle, please visit their website at: [https://groometransportation.com/denver-airport/](https://groometransportation.com/denver-airport/)

**When you arrive to campus for Orientation:**

**Parking:** We encourage families to park in the Union Parking Lot, located off of 15th Street. To access the Union Parking Lot, turn north onto 15th Street from Grand Avenue. Go through two stoplights and turn left into the Union Parking Lot just after the stoplight at Sorority Row. The permit is valid for all “A” parking spaces in this lot.

If the Union Lot is full, overflow parking is available in “R” spaces on Fraternity and Sorority Row. To access that lot, turn left at the stop light when you exit the Union parking lot. Fraternity Row will be the first right. If you get to the stoplight at Willett, you have gone too far. Fraternity Row is a one-way that will curve around and connect to Sorority Row, which will provide the closest parking.

Parking in spaces other than those specified above could result in a ticket. See the map below for reference. A full campus map can be found at [http://www.uwyo.edu/uw/tour/_files/docs/uw-laramie-campus.pdf](http://www.uwyo.edu/uw/tour/_files/docs/uw-laramie-campus.pdf).

Admissions is not responsible for any parking citations, so please park wisely. We encourage families to check the Transit and Parking Services website for additional information: [http://www.uwyo.edu/tps](http://www.uwyo.edu/tps)

Make sure you have **printed off your parking permit**, which is attached to your confirmation email that is emailed to you the week prior to your scheduled session. This will need to be displayed in your vehicle for the two days of Orientation, in order to avoid a ticket.
Check-in for Fall Bridge Program Students: Check-In will take place at White Hall at 10:30am. Students and guests can check in together by the students’ last name. Please bring your items with you, as students will check-in to their room in White Hall immediately following Orientation check-in.

Fall Bridge Meeting: Immediately after checking in for Orientation and dropping your items off in White Hall, please proceed to the College of Business for your Fall Bridge meeting that begins at 11am.

Mini Resource Fair and Lunch! Following the Fall Bridge meeting, visit the mini resource fair in the lower level of Washakie Dining Center to turn in your immunization records, verify your WyoWeb login information, register for the Foreign Language Credit by Exam, or visit with Student Success Services or Residence Life and Dining (if noted at check-in). After visiting the tables, we welcome students and their guests to join us for lunch in the Washakie Dining Center, just upstairs!

Orientation Begins: We are excited to have you join us. For a detailed schedule, please see www.uwyo.edu/orientation. For the most part, you will be guided from session to session. So once you find the parking lot, it should be smooth sailing.

If you have any questions or concerns while getting ready for Orientation, please contact the Admissions Office at 307-766-5160.
