ADVISING – TOMORROW
detailed degree requirements
for your chosen major(s) and/or minor(s)

University Studies Program
general education courses required for every UW student

FALL 2019 COURSE REGISTRATION
Family Education Rights and Privacy Act (FERPA)

- Elementary through High School
  - Gave parents and students right to access and control student’s educational records.

- College
  - Students, regardless of age, determine who will receive information about them.
  - Parents are NOT automatically granted access to a student’s records without written consent of the student

- Includes grades, finances, and discipline records
  - Students can sign a release form to grant parents access to financial information at the Financial Services booth outside the Senate Chambers during the Resource Fair.
University Studies Program (USP)

- General education courses
  - First Year Seminar (FY)
  - Communication 1 (C1)
  - Communication 2 (C2)
  - Communication 3 (C3)
  - Quantitative Reasoning (Q)
  - Physical and Natural World (PN—6 credits)
  - Human Culture (H—6 credits)
  - UW & Wyoming Constitution (V)

- Required for all students, regardless of major
  - Some majors may require specific courses to be completed
15 to Finish

● All undergraduate degree programs at UW require at least 120 hours to graduate, some more.

● Take an average of at least 15 credit hours in the fall and spring semesters

● Four year degree plans are available on the UW website: (http://www.uwyo.edu/acadaffairs/degree-plans/uw-4-year-plans/)

● There is substantial data showing this dramatically increases on-time graduation rates, leads to higher GPAs, and lower dropout rates.
AlcoholEDU & Sexual Assault Prevention for Undergraduates (SAPU)

- Required for all freshmen students
- Online, non-opinionated educational program administered at over 700 campuses nationwide
- Empowers students to make well-informed decisions
- SAPU will provide information about healthy relationships, the importance of consent, how to help a friend, and creating a safe, positive campus.
- Courses open July 22, 2019. Deadline to complete Part 1 of both programs is August 30 and the Part 2 is October 25.
  - A registration hold will be placed on the student’s account if not completed by the deadline.
- Stop by their resource fair table to learn more about the programs.
- Parents will learn more about the program tomorrow morning.
Check your UW Email

● All official communication from UW and your professors will come through your University of Wyoming email, not your personal email.

● To access your UW email:
  ● Go to wyoweb.uwyo.edu
  ● Click on the Email icon
  ● Login with your UW credentials

● Your UW email becomes active once you have registered for classes or July 1 (whichever is earlier).
Viewing Your Bill

- You will not receive a paper bill!
- To access your electronic statement:
  - Go to wyoweb.uwyo.edu
  - Click on Student Account under the Students section of WyoRecords
  - Select Student Financial Portal
- Parents can be added as an Authorized User
  - See the Financial Services booth outside the Senate Chambers during the Resource Fair, next
- Cannot see grades or classes
