Before you arrive:

1. **Check your WyoWeb Checklist:** Confirm you are listed in the correct college or major. If you have any changes to make, please give the Admissions Office a call at 307-766-5160.

2. **Math Placement Exam:** Before arriving to your orientation session, we encourage you to take the Math Placement Exam online to ensure you register for the appropriate first year math class. You can take this from home via your WyoWeb checklist; you will need a calculator and $15. We will not offer a time to take the MPE on campus during First-Year Orientation, so this needs to be completed beforehand.

3. **Submit MMR Immunizations:** UW requires students registering for classes to submit proof of their Measles, Mumps, and Rubella vaccinations. Parents or students can fax these to Student Health Service at 307-766-2711, or you can visit their website at http://www.uwyo.edu/shser for more information. We encourage you to send these in before your orientation session, as you will not be able to register for classes without them.

4. **Upload your WyoOne ID photo:** Say cheese! You get to pick which picture you would like have on your WyoOne Student ID. This ID is used for entrance into your Residence Hall, Half Acre Gymnasium, and Cowboy athletic events. You can upload your picture on your WyoWeb checklist; make sure to do this a few days in advance otherwise it won’t be ready to pick up at Orientation. If you wait too long, you will have to wait until move in day to pick up your ID.

5. **Review the First Year Seminar Options:** As part of the University Studies Program at UW, all incoming freshman students will be taking a First Year Seminar class. In order to be ready for advising/registration on day two of Orientation, please review the following website to see your options: [http://www.uwyo.edu/unst/usp2015/fys-courses/](http://www.uwyo.edu/unst/usp2015/fys-courses/)
What to pack:

- **Parking Permit:** After registering for an orientation session, you should receive a confirmation email containing a printable parking permit. Write in the dates you’ll be attending Orientation (in marker) and bring this permit with you to your orientation session in order to avoid parking tickets on campus!

- **University Conference Group Agreement:** All Orientation Students are required to stay in the residence halls during Orientation. As part of this stay, students need to sign the attached agreement and bring it with them to Orientation.

- **Activity Waiver:** We will be pretty active during the two-day session, so please bring your waiver so you may choose to participate in playing basketball, dodgeball, and swing dancing!

- **Photo ID:** This is needed to pick up your WyoOne ID

- **WyoWeb Login and Password:** You will need these to register for classes!

- **Interested in purchasing a parking permit for the 2015-16 school year?** Make sure to bring your vehicle information: make, model, and license plate number

- **Transfer Credit Transcripts

- **MMR vaccination records, if you have not submitted them beforehand.**

The residence halls will provide basic sheets, blankets and pillow, as well as a towel for each student during the orientation sessions. Students are encouraged to wear comfortable clothes, to consider attire for night activities, and to dress in layers—we love Wyoming weather, but it can be unpredictable at times!

Other items to consider bringing include:

- Alarm Clock (a cell phone works too!)
- Shower Items
- Any EpiPens or medication needed
- Sunscreen
- Bug spray

**Transportation to Campus:** For students flying into the Laramie Regional Airport that do not have transportation to campus, we encourage you to take advantage of the few taxi options in Laramie to get you to campus. This includes Snowy Range Taxi, LLC (307-343-2323)

For families that may be flying into Denver International Airport in Denver, CO, we encourage you to look at using the Green Ride Colorado Shuttle. This shuttle runs from DIA to Laramie, WY, and you can reserve a spot on the shuttle for a fairly reasonable
price. For more information on this shuttle, please visit their website at: http://www.greenrideco.com/

When you arrive to campus for Orientation:

Parking: We encourage families to park in the Crane Parking lot on the University of Wyoming campus. You will be able to access this lot off of Grand Avenue if you are headed west from I-80 to campus. It is located just north of Grand in between 17th street and 21st street.

If you are headed east on Grand from 287, you can access this parking lot by following King Street along the north side of the residence halls. This permit is valid for R parking spots only; it is not valid for any other spaces, and you will be ticketed.

Make sure you have printed off your parking permit, which can be found on your Orientation Confirmation email. This will need to be displayed in your vehicle for the two days of Orientation, in order to avoid a ticket.

Check-in for Orientation: Follow the Orientation Leaders to the lower level of our Washakie Dining Center. Check-In will take place in the Shoshone Room. Students and guests can check in together by students’ last name. Please bring your items with you, as students will check-in to their room in Orr Hall before lunch.

Check-in to Orr Hall: Once students and guests have checked in to Orientation, they will then need to check into Orr Hall. Check-in for Orr Hall will
take place on the north end of the building. We encourage students to drop their items off in the room and then return to Washakie Dining Center for lunch. Please check in by last name for both the student and guest, if they are staying in the hall.

**Lunch!** Once students and guests have checked-in, they will drop off luggage and personal items in their room in Orr Hall. Afterwards, we welcome students and their guests to join us for lunch in the Washakie Dining Center!

**Orientation Begins:**

We are excited to have you join us. For a detailed schedule, please see [www.uwyo.edu/orientation](http://www.uwyo.edu/orientation). For the most part, you will be guided from session to session. So once you find the parking lot, it should be smooth sailing.

If you have any questions or concerns while getting ready for orientation please contact the Admissions Office at 307-766-5160

Go Pokes!
