ANSC	2010	Domestic Animal Metabolism		3		C	
Quantitative Skills Elective *****				3			
Elective				3			Strongly recommend ACCT 1010 (Principles of Accounting I).
Credit hours subtotal:				15			

This is a guide for course work in the major; actual course sequence may vary by student. Please refer to the online student degree evaluation, and consult with an academic advisor. • Not all courses are offered every semester and some electives may have prerequisites. Students should review the course descriptions in the *University Catalog* and consult with their academic advisor to plan accordingly.

University of Wyoming requirements:

Students must have a minimum cumulative GPA of 2.0 to graduate. • Students must complete 42 hours of upper division (3000-level or above) coursework, 30 of which must be from the University of Wyoming. • Courses must be taken for a letter grade unless offered only for S/U. • University Studies Program (USP) Human Culture (H) and Physical & Natural World (PN) courses must be taken outside of the major subject, but can be cross-listed with the major.

Agricultural Business - Livestock Business Management Option w/ Minor Program Notes:

The Department of Agricultural and Applied Economics does not allow ag economics (AGEC) or economics (ECON) courses to fulfill the USP Human Culture (H) requirement. • To earn a minor in Animal Science Veterinary Science, a grade of C must be earned in all coursework for the minor.

* Requires Math Placement Exam ≥ 2 . (University standard)

** AGRI 1010 is an approved substitute for Wyoming community college transfers.

Agricultural Business—Livestock Bus Mgmt Option, BS with Minor in Animal Science Veterinary Science
