

NEW!!!!

UW Study Abroad in Australia

August 2017

4 upper division credits

- Led by the College of Agriculture and Natural Resources in partnership with University of New England, NSW
- Three weeks, travel from Brisbane inland to Armidale (home of UNE), and then via the coast to Sydney
- Experience Australian culture, see its natural beauty and wildlife, learn about its history, its resource management challenges, agriculture, and export-led economy.
- Featuring field trips to farms, sheep and cattle stations, horse country, wineries, and mining operations.
- For more information and details, contact

Tom Foulke (foulke@uwyo.edu) or Nicole Ballenger (nicoleb@uwyo.edu)
