The primary purpose of the American Heritage Center is to function as an archive and rare books library, serving researchers, students, and visitors. Requests for use of AHC public areas for meetings, lectures, seminars and conferences will be considered on an individual basis and are subject to approval by AHC Administration. Collection care, security, and service is the primary mission of the AHC.

Eligible Groups—UW departments, Recognized Student Organizations, faculty or staff work-related activities and Wyoming state agencies working with UW departments. All other groups must be affiliated with the AHC, or be partnered in collaborative work with the AHC. The AHC cannot accommodate any request that interferes with its regular patrons/programs. Food and drinks must be arranged thru UW Catering. AV assistance and computer needs must be arranged with UW Information Technology or outside vendors. Public use rooms are not available for wedding receptions, family gatherings, private parties, or organizations outside UW. All groups must have a designated leader who is prepared to lead and accommodate building evacuations in the event of a fire or other needed situations.

Meeting rooms are available for use between 8:30 am and 4:30 pm. Guests may enter the building at 8am for set up and must exit the building by 5pm. Security charges will be incurred if guests, sponsors, and/or catering services have not completely exited the building by 5:00 p.m. The Loggia is available only outside of archive business hours.
